nishings. The fourth room, the psychiatrist's office, will be furnished later, according to his needs.

Mrs. Meier pointed out that although the salaries of doctors at the clinic will be paid by the state, furnishings must be supplied by the people of the area the clinic will serve.

Every person with any emotional problem will be welcome at the clinic, without any discrimination for the economic station of the individual and will be charged according to ability to pay.

### Purpose Of Clinic

The purpose of the clinic is to keep people mentally healthy so a person who feels he has any slight emotional or mental problem should seek the clinic's help. Mrs. Meier pointed out, "Eighty per cent of the cases today can be cured if discovered in time. Mental illness is just like any physical illness."

The idea for the clinic was born three years ago in Alton when a group of people formed a steering committee. The committee soon branched out over the whole county and the clinic at Alton, with cooperation of the Southern Illinois University branch there, was started to be followed by the local office.

Other local directors in the society besides Mrs. Meier are Mrs. Gladys Chapman, Miss Mary Cowan, Henry D. Karandjeff, G. W. Hoelscher and Edwin Reiske.

The telephone number at the local office, for Saturday's appointments, is TRIangle 7-4420. The address is 1243a Niedringhaus avenue.

## Former GC Resident, Leslie Craft Sr., Dies

Funeral services were held at 11 a. m. Monday PST for Leslie Craft sr., 58, a former resident of Granite City, who died of a heart attack in his Santa Monica, Calif., home shortly before midnight on New Year's Eve.

Mr. Craft was preparing to retire for the night when the attack occurred. He had been suffering from a heart condition for several years and was retired as an electrician for an aircraft factory in Santa Monica. Services were held in a funeral home there with interment in a Los Angeles cemetery.

He was born in Hopkinsville, Ky. and moved to Granite City in 1923 where he was employed by Granite City Steel Co. He left here for California in 1923. Craft was a veteran of world war I.

Surviving are his wife, Mrs. Beatrice Craft; two sons, Leslie Craft jr. of Lincoln, Calif., and Edward Craft of Granite City; four daughters, Mrs. Lee (Elizabeth) Schrader of Granite City, Mrs. James (Kathleen) Smith of Pomona, Calif., Mrs. Daniel (Shirley) Miraball of Granite City and Miss Joyce Craft of Granite City; five sisters, two brothers, 12 grandchildren and two great-grandchildren.

## Mayor Davis To Make Decision Tomorrow

Mayor Davis said today he will probably make his decision tomorrow on whether to seek nomination for the office of county coroner on the Democratic ticket next April. The filing period for county offices opens Jan. 18.

The mayor said today he is waiting for a report to come in from a northern section of the county and will then decide. He recently distributed match folders in the Alton and Wood River areas announcing his candidacy.

### Madison Rotary Plans Party, Accepts Member

Plans for a "ladies' night" party in February were made by the Madison Rotary club during a discussion period led by President Joseph Purdes at yesterday's weekly meeting. Harry Thebeau and Larry Palkes were appointed to the arrangement committee. Anthony Zedolice was initiated as a new member.

Purdes announced plans to confer next week with Mayor Stephen Maeras on the club's proposed improvement project at the city and school grounds along Third street. It was decided to have the club's trash containers repainted. They are located at intersections in the business district.

**Third Car Blamed For Crash On Grand Avenue**  
An auto being backed out of a driveway was blamed for an accident in the 2100 block of Grand avenue Wednesday morning. Ernest Abbott, 51, of 1122

Market street, Madison, told police he was traveling north and the auto coming out of the driveway caused him to crash into a parked car belonging to John E. Hopper, 29, of East St. Louis. Police said there was damage to the right front of Abbott's auto.

**TIME WILL TELL**  
The only New Year's resolutions that are all right are the ones that make good. and to the left rear of Hopper's car. No injuries were listed.

## Ex-Convicts With Burglar Tools Nabbed, Admit Theft

Two ex-convicts suspected of planning a burglary or robbery in the Quad-Cities Monday were nabbed by Madison police and released to Decatur police on charges of breaking and entering the Decatur Elks club Jan. 1.

Driving a stolen car with stolen license plates, the two were found to have in their possession a pin bar, two screwdrivers, two flashlights, a realistic-appearing toy pistol, a home-made blackjack containing a bar of soap, a container of wide adhesive tape, several pins, several pairs of dark glasses and four suitcases.

The two were identified as Robert Cloyd Wise, 33, New York City, a native of Chicago who said he served from 1934 to 1938 at the Alcatraz, N. Y., state prison and is a parole violator; and Lawrence Clair Brown, alias Karl Lathrop, alias David Lawrence, 34, Chicago and Seattle, a native of Patterson, N. J., who said he served in the Carson City, Nev., state penitentiary in 1937 and in the Deer Lodge, Mont., penitentiary in 1938-39, and in the term for a hit-and-run violation.

Madison police were alerted Monday by a businessman who saw Wise and Brown crouching between cars parked next to his place of business as he arrived there. He relayed the license number and a description of the

1930 auto they were using to the officers, who located the car and arrested the occupants 15 minutes later in the 1400 block of Fourth street.

During initial questioning at the Madison police headquarters, they admitted stealing the car in Pennsylvania about Dec. 23. Since the license plates were listed by the state as issued to a Decatur resident, the Madison officers contacted Decatur police by radio with the aid of state police.

Checking with the license, Decatur police learned that the plates had been stolen in Decatur Jan. 1, the same day that the Elks club there had been burglarized. They added that they would come to Madison to question the men.

Upon being questioned further by Madison police, Wise and Brown admitted the Elks burglary, their aliases and their past records. They repeated the confessions after arrival of Decatur officers, who took custody of them Monday afternoon.

The auto was confiscated by Madison police, who notified the Federal Bureau of Investigation, which is conducting an investigation of interstate transportation of a stolen vehicle.

Items taken from Mrs. Barton's purse, which had been hanging on a trunk knob. There were no visible signs of forced entry.

Someone broke the front door glass of a confectionery at 928 Jackson street Monday night, but an inspection by the operator, A. R. Robinson, failed to show anything missing.

The damage was reported to Venice police at 10 a.m. Tuesday by Robinson, who resides at 834 Weaver street. He said the incident apparently occurred between 3:45 p.m. Monday and 9 a.m. Tuesday.

James Barry, 2321 Washington avenue, reported to Granite City police Monday afternoon that two hubcaps were stolen off his 1937 auto while it was parked at his home.

Two fifteen-cent hubcaps were stolen off the auto of Thomas Miles, 2920 Willow avenue, while the car was parked in the 2600 block of Hodges avenue, according to a report Monday to Granite City police.

engineering study, and assisted the city in obtaining a \$120,000 grant for this purpose, he said.

Subsequently, engineering proposals from five firms were carefully studied and, by secret ballot, the committee unanimously recommended that the city council award the contract to Sheppard, Morgan & Schwab, a local firm with considerable knowledge of the city's sewer system.

Standard engineering rates are to be charged. Hoelscher said the recommendation proposal includes engineering to meet today's sewage and drainage deficiencies, as well as basic data for the city's expected 20-year future growth, based on the Harland Bartholomew Associates' master city plan.

Pollution also will be studied since this directly affects sewer size and flow. Approval of the contract rests with the city council.

Representing the city at last night's meeting, held in the city hall, were Mayor Davis and Alderman Frank Vecchi, chairman of the aldermanic committee.

The mayor explained that Alderman Walter Nonn was unable to attend because he was working and he thought confusion caused by changing the conference from Tuesday night to last night, due to a meeting conflict, was responsible for the absence of Alderman Estill Schmittow.

Nonn and Schmittow are the other members of the council committee.

Aside from Chairman Hoelscher, members of the citizens' group present were Rev. Robert Baumann, Harold R. Fischer, Paul Gager, William N. Hale,

## Milton Mathews Purchases Moody Chevrolet Co.

Moody Chevrolet Co. changed hands yesterday and is now known as Mathews Chevrolet Co.

The new owner is Milton Mathews of St. Louis, who will be aided by his son, Jack R. Mathews, as sales manager, and Loran Wisdom as general manager. All three men now reside in St. Louis but plan to move to this area.

Mathews said he purchased the business from Beryl E. Moody and has a lease on the property at 1511 Niedringhaus avenue and also a storage building in the 2000 block of Grand avenue. The purchase price was not disclosed.

Mathews, who formerly operated a used car business in St. Louis from 1932 to 1948 and then became a general contractor, said he will operate the local business for sales of new motor vehicles. His son formerly was sales manager for a St. Louis auto agency.

Moody, who has been a Chevrolet dealer for 30 years, included 17 years here, plans to enter the automobile business on a smaller scale in the future and will maintain his home on Rock road, Rural Route Four, Edwardsville. He raises thoroughbred horses and cattle and two horses belonging to his daughter, Miss Molly Moody, have won world championships.

The local fund drive will be intensified here Saturday when "TAP" chairman from Granite City, Madison and Venice will establish roadblocks at Niedringhaus and Grand avenues and on Pehling road to solicit campaign contributions from motorists. "TAP" members will also offer for sale a March of Dimes record by a musical trio on Saturday.

David John, H. E. Lueders, S. L. Meyer, E. G. Schmitt, C. E. Townsend, E. E. Veihl, William Webb Jr., Alderman Samuel Whitmer, Harry Wolff, and two industrial engineers who had worked with the committee, D. P. Cairns and A. C. Stoever.

## Associated Retailers To Elect Officers Today

Associated Retailers and Civic Association Inc. will hold its annual election of officers and board of directors at 3 p.m. today in the YMCA. They will be installed and conduct their first meeting immediately after the election.

Joseph Glik, of Glik's department stores, is stepping down as president of the association. After holding the office two years, he, as well as other retiring officers, will automatically become members of the board of directors.

Allen Jesse, of the Granite City Trust and Savings Bank, is the retiring vice president of the association.

## Classes Begin At New School On East 23rd

The last of three grade schools completed during the 1959-60 school term, a 12-classroom structure located at 2301 East 23rd street, was placed in use Monday with an initial enrollment of 283.

While not yet full, the new school is expected to have a larger enrollment next fall. Its present students include 47 from Kensington Place, who had attended Webster school until the Christmas holidays; 38 from the area east of Nanticoke road, between East 23rd and Edwards streets, who had attended Marshall school; and 384 from the former Liberty school area who had attended McKinley school this fall.

**Five Schools Still Full**  
While Monday's transfer eliminates overcrowding at the Webster and Marshall buildings, five grade schools still have full enrollments. They are Frohardt, Mitchell, Stallings and the two schools opened earlier this term, located at 2400 Wilson avenue and 4651 Maryville road.

When opened on Oct. 12, the Wilson avenue school in the Glenview subdivision enrolled 457 pupils, including 427 transferred from Frohardt and a group of Glenview kindergarten children who did not start school in September.

On Nov. 15, the Maryville road building opened with 455 youngsters—181 from the Nanticoke school, 49 from Mitchell and 265 from Frohardt, where a shift schedule was ended.

For the opening of the East 23rd street school, the group first assembled in the large multi-purpose room, then was escorted to the classroom by the teachers. Leland Bartley is principal.

After the regular 11 classes were settled Monday, a trainable class which had been meeting at a non-school building, the Lincoln Place Community Center, was transferred to the new school.

**Junior High Work Continues**  
With the boiler, cafeteria and other facilities of the new building functioning satisfactorily, attention will be concentrated on two high school additions and a fourth new school, the large junior high school constructed at 2300 West 25th street.

Delayed along with the other building projects by a 45-day construction strike last summer, the junior high has been tentatively listed for opening in March or next September.

Contractors are still at work on the interior of the school. After their work is completed, the school district must have lockers installed and equip nine special classes. These include a home economics department and vocational shops.

A revision in the Granite City junior high school curriculum is planned for September. Hiring of teachers for work beginning at the start of the regular school year is regarded as difficult, particularly so in the spring. Financial limitations also are expected to be a factor in the decision on when to open the junior high.

## World War I Veterans Nominate New Officers

Veterans of World War One, Madison Barracks 34 and the auxiliary met Tuesday evening at the VFW hall, with Commander Joseph Bergrath and the president, Mrs. Mary Breidenbach, in charge.

Nominated as new officers at the barracks meeting were: commander, Adam Munsterman; senior vice-commander, John Kuntzmann; junior vice-commander, Jay Elliott; quartermaster, Bergrath; chaplain, William Redmond; three-year trustee, Joseph Stanfill; two-year trustee, Harry Hursel; one-year trustee, Leo Hendricks; judge advocate, William Breidenbach; and adjutant, John Lively. The adjutant will take place at a later meeting.

A regional meeting will be held at Springfield, Ill., on Feb. 12, with the regional president, Mrs. Emma Wheaton of Dearborn, Mich., and the regional commander, Mike Bond of Centralia, in charge. The six states to be represented are Illinois, Ohio, Michigan, Kentucky and Tennessee.

Veterans of World War One members will make a pilgrimage to Lincoln's tomb, Springfield, on Feb. 7, with the national commander, Charles McCarthy of Cincinnati, O., and the national president, Mrs. Olive Martin of Indianapolis, Ind., as distinguished guests.

Several local members will attend a district meeting to be held Jan. 10 at Jerseyville, Ill. Reports were given by committee, and tentative plans were made for a social in March, with Mrs. Andrea Brown as chairman and Mrs. Kathryn Pellers as co-chairman.

A social time followed, and a luncheon was served to 53 persons by the hostesses, Mrs. Breidenbach, Mrs. Loretta Breidenbach and Mrs. Elizabeth Hutsel.

## Vandals Break Window At Solon Nunn's Home

A piece of a concrete block was hurled through a storm window at the rear of the home of Fifth Ward Alderman Walter Nunn, 2711 Cayuga street, between 8:30 and 9 p. m. Tuesday, the alderman reported to Granite City police yesterday afternoon.

Officers who investigated the vandalism, said the piece of concrete was about 2 1/2 inches square and smashed the storm window glass but failed to damage the glass in the regular window. The damage was estimated at about \$200.

Half the window doesn't let him better half know how he lives.

The officers were nominated and elected during the December meeting of the board. They will be installed by Walter F. L. Rhein, president-elect of the Illinois Association of Real Estate Boards.

Local board officers will attend Rhein's formal installation on Tuesday, Jan. 12 at the St. Nicholas Hotel in Springfield. Elected directors of the local

## GCHS Civics Classes Visited By Aldermen

Four Granite City aldermen turned the tables on members of the Granite City high school civics classes this week. Students of civics instructor Al Lewis have for many years attended one session of the city council meeting per semester to become more familiar with the operation of city government, but the aldermen visited the classrooms instead Tuesday morning.

In the aldermanic group were Casper Skubish, Sixth Ward; Arthur Wieser, Third Ward; Walter Nunn, Fifth Ward; and Emerald Dawes, Eighth Ward. The aldermen visited both the first and third hour classes taught by students.

The occasion marked the first time aldermen have visited the civics classes, where 67 students, all seniors, are enrolled. "Students get a pretty idealistic idea of how government is run in the classroom," Lewis said following the aldermen's visit. "Their coming here has added some realism to our study class. I hope the policy can be continued in the future."

## Vandals Damage School

Three windows at the front of Netherland elementary school were broken Tuesday night by vandals who hurled large pieces of limestone through the panes of windows. The damage was reported to Granite City police Wednesday morning by the principal, Gerald Bushue. The school is located at 29th and State streets.

Half the window doesn't let him better half know how he lives.

## Police Predict 97 Accidents In City

Reluctantly, Granite City police this week predicted 97 traffic accidents will occur in the city this month—an average of 3.1 a day, or slightly under the 3.5 per day average set with the 109 accidents correctly forecast for December.

The officers, William Condis and Raymond Ridge, based their predictions on statistics compiled locally over the past few years.

In making it yesterday, they commented the figure seemed high, especially since the average in the first six days of the month was but 1.6 a day.

## Citizen Group To Be Asked To Study Pollution Problem

Mayor Davis announced during Monday night's council session that he is asking the Citizen Master Sewer and Drainage Committee to include a study of pollution abatement along with its current work in connection with hiring an engineering firm to study the city's sewer and drainage needs.

The mayor indicated the study would be conducted in conjunction with a pollution study being carried out by engineers for local industrial plants to determine the feasibility of local participation in a district-wide plan being proposed by the East Side Levee & Sanitary District.

Alderman Mrs. Gabrielle Bettine, who explained she believed Granite City would be included in the levee district's program if the city failed to seek an extension to the early January deadline specified by the levee district, motioned for a letter to be written asking for such an extension.

The alderwoman further explained she had recently talked to a state water board official in Springfield, who also was of the opinion Granite City would be a part of the levee district's project unless it signified otherwise. "We don't want that to happen," she said, "especially since we have other surveys in prospect."

Alderman Samuel Whitmer also questioned participation in the levee district program, pointing out the matter should be explored thoroughly to determine if the city could get off with less expense by operating a separate disposal system, even though the levee district's survey engineers said said monthly costs would be higher under such a plan.

"They told us the monthly charge would go on indefinitely with a minimum of 75 cents," he said.

### Motorist Faces Three Traffic Charges

Two charges of speeding and an additional count of failing to observe a stop sign at Nameok and Johnson roads were placed against Jerry Gerkins, 24, of 2918 Victory drive, who was arrested about 12:30 a.m. Tuesday at Nameok road and Victory drive by Granite City police.

The officers charged the motorist with speeding 45 miles an hour in one 30mph zone and 45 miles an hour in another 30mph zone.

Gerkins posted his driver's license as bond and is to appear for a hearing Jan. 14.

The fellow who knows his own weaknesses is headed in the right direction for success.

## New Parking Lot For Cohen's Food Market

Additional parking space for customers at Cohen's Food Market, West 23rd street and Illinois avenue, will be available soon due to the purchase of property near the store, according to Louis Cohen, president of the market corporation.

Cohen said the newly-acquired property is directly across Illinois avenue from the market and is adjacent to present parking facilities at 2304 Illinois avenue. The 50x100 foot lot, including a home standing there, was purchased from John Isaham.

Cohen said his firm plans to move the house to a different location rather than tear it down. The lot will then be leveled, blacktopped and lighted, providing parking space for about 75 additional automobiles.

The new lot will be the fourth available for Cohen's customers in addition to the new lot and the one it adjoins, the market operates lots in the 2200 block of Illinois avenue and on Dewey avenue. One of the four lots will be reserved for employee parking as soon as the new addition is complete, Cohen said.

The firm also plans to begin the construction of a 4500 square foot addition to the market as soon as weather conditions permit.

## Taxpayer Assistance Program Begins Friday

Personal attention to individual taxpayer's problems will be given by employees at the local Internal Revenue Service office, 1025 Edison avenue, on Friday only this year, according to IRS representative Lou Mackery.

The local office will provide service between 9 a.m. and 4:45 p.m. each Friday, beginning tomorrow and continuing until the April 15 income tax deadline, he added.

As in past years, the service will be provided free of charge and will be limited to individual taxpayers only. The revenue service representative stressed that while assistance and advice in filling out personal returns will be given, the forms themselves must be filled out by the individual taxpayer.

A total of 15 assistance program dates are on the calendar between tomorrow and the filing deadline, which also falls on a Friday. Marberry said telephone inquiries would also be accepted, but again, only on reserved Fridays.

## GC Housing Board To Buy New Station Wagon

The commissioners of the Granite City housing board tentatively approved, at a monthly meeting Tuesday night, the purchase of a new Plymouth station wagon for use by the housing office.

There was only \$190 difference between the low four bidders, Elledge Motor Co., B. E. Hohl Inc., Moody Chevrolet Co., and Farrington Motors Inc. Other dealers bidding were Woodrome Oldsmobile, Inc., and Hurdley Pontiac Co. The purchase is pending approval from the public housing regional office in Chicago.

Executive director of the local board, David Morgan, said that the Chicago office should approve the purchase sometime this week. The housing board is authorized to buy a new station wagon every six years.

In other business at the short meeting, monthly bills were read and approved for payment. The housing office is currently preparing the annual fiscal report to be presented to the regional office.

**RECEIVING MANTOUX TUBERCULIN TEST** is Miss Diana Taylor, one of 1850 students who received tests given to Granite City high school and Coolidge junior high school students Tuesday morning by area doctors. Miss Taylor's test is administered by Dr. F. B. Dioneda. The nurse in the background is Mrs. Martha Gunther.

## TB Tests Given To 1850 GCHS, Coolidge Students

Over 1850 youths of Granite City high school and Coolidge junior high school were given the Mantoux Tuberculin test by eight local doctors Tuesday morning at the two schools.

The tests, used to discover the possibility of tuberculosis, will be read Friday morning by the same physicians. The reactors to the test will be given an x-ray early in February to determine if they have the disease.

Because many people react to the test automatically, those students who did so in last year's test, were not included in the

Mantoux administration Tuesday but will receive an x-ray. Students who are negative will not have an x-ray.

Under the direction of Mrs. Ruth Mitchell, school nurse, 1250 students at the high school took the test in two hours administered by Dr. Irvin Wiesman, Dr. W. W. Bowers, Dr. Robert Hill, Dr. E. H. Theis, Dr. E. H. Croge and Dr. F. B. Dioneda, Dr. Felicia Koch, Dr. B. Berman and Dr. Leo Griesek.

The students at Coolidge, the school test was under the supervision of Mrs. Gunther.

## Farm Column

By TRUMAN W. MAY

Records kept in the soil testing laboratory operated by the Madison County Farm Bureau and the Agricultural Extension Service show that a total of 6685 samples of soil from 1850 Madison county farms were tested in the laboratory during the year.

These samples were taken from 18,780 acres. Most farmers collected their samples carefully according to the sampling directions supplied by the laboratory, so their tests would be accurate and representative of the area tested.

Each farmer or landowner having soil tested was sent an individual report of the results and recommendations for the proper amounts and methods in applying limestone, phosphate and potash. A file of all test results is kept in the office, also a card index for all testing done for the past seven years so information on previous tests are available.

The soil test report form has been revised for the new year. In addition to an improved method of reporting the test results, it has a summary of the latest recommendations for soil management.

More farmers are getting the habit of having their soil tested during the winter months, well in advance of the time for adding limestone and fertilizers. This avoids the seasonal rush periods in the laboratory and gives the farmer more time to plan ahead for his soil improvement work.

Samples tested in the county laboratory are regularly checked by the soils department at the University of Illinois. The tests, supervised by Harold E. West, laboratory technician, are consistently accurate.

The latest information on the effectiveness of granular and liquid herbicides will be one of the topics featured at the Illinois Custom Spray Operators' Training School Jan. 27-28 at Urbana.

For several years the effectiveness of these herbicides has been questionable, explains H. B. Petty, chairman of the school. Petty is extension entomologist with the University of Illinois and Illinois Natural History Survey.

The Custom Spray School is planned for all persons associated with the agricultural chemical industry. This group includes aerial and ground spray operators, industry representatives and agricultural chemical salesmen and dealers. In addition, any other interested persons may attend.

Several Madison county spray operators and farmers have been attending this school and more are expected to go this year, in line with the increased amount of spraying being done.

Here are some of the other topics to be discussed: (1) new developments in controlling tree flies, (2) turf diseases and lawn weeds, (3) soil insecticides and (4) the relation between weeds and crop yields.

The school will be held in the Illinois Union building on the University of Illinois campus.

A winter short course in agriculture, especially designed for young farmers who cannot regularly attend college, has been announced by the University of Illinois.

Dates for the short course are Feb. 8 to March 18. Anyone over 18 years old may attend. This includes women as well as men, even though only one home economics course is offered.

This ninth annual short course offers young farmers an opportunity to keep up with new developments in farming. Students can take courses in almost every phase of agriculture. This includes livestock production and management, crop production, farm machinery and equipment and agricultural marketing.

A description of courses, application blanks and other information may be obtained at the farm adviser's office.

Persons wanting water tested are advised that bacterial analysis of drinking water are made free of charge to Illinois residents upon request to the Illinois Department of Public Health. A special container with instructions will be sent for the collection of a sample for bacteriological analysis. The address for this district is Illinois Department of Public Health, 414 Missouri avenue, East St. Louis.

A meeting will be held at the Farm Bureau building at Edwardsville this afternoon to discuss the filing of farm income tax returns and social security regulations for farmers. George B. Whitman of the agricultural economics department, University of Illinois, will lead the discussion. Everyone interested is invited.

Changing economic conditions are causing many adjustments on farms. Old poultry houses are being turned into pig nurseries and old dairy and horse barns are being converted to feeding floors for cattle or hogs. Land use is being shifted to high-cash-value crops wherever practical. Good farm records are still one of the best tools a farmer has in deciding what changes are needed to meet these changing economic conditions. Get your copy of the Illi-

harmful. If they receive plenty of high-energy feed that provides the required minerals and vitamins, they will perform satisfactorily on a 22 to 24% protein feed, even if they need only a 12 to 14% protein feed. Cows have been fed for long periods on cottonseed meal as the only concentrate. Soybean meal is now a reasonably priced protein feed, used with farm-grown grains, bran and other feeds.

Most dairy grain rations run from 12 to 15% protein, depending on the quality and kind of roughage fed.

## SCOUT LEADERS MEET

Neighborhood Four of the Tri-City Girl Scout Council met Monday evening at Dunbar school, with the West Madison leaders as hostesses. The chairman, Mrs. Mary Massman, was in charge of the meeting and it was announced that a training institute for school organizers will be held in East St. Louis Feb. 16-18.

Because of previous commitments, Miss Dorothy Hines resigned as secretary. Mrs. Dorothy Hiegrath was asked to fill the vacancy.

Established camp at Camp Quatoga, Pere Marquette Park. Gratification will be held in the first week of June it was announced. Correspondence was read, thanking Neighborhood Four for its assistance in the "Festival of Giving," a Christmas project of assembling baskets for distribution by the Salvation Army.

Special guests for the evening were Mrs. Shirley Brown, chairman of Neighborhood Three, and Mrs. Esther Zimmer, first vice-president of the council, who showed a film of a survey taken on scouting in general.

A social time followed, and a two-course luncheon was served. Those present were Miss Norma Hinson, Mrs. Gloria Simms, Mrs. Margaret Barrett, Mrs. Gertrude Young, Mrs. Ernestine Buis, Mrs. Hilda James and Lucille Mossa. The next meeting will be held in Madison, with the Madison leaders as hostesses.

Boy Scout Troop One met Monday evening at the home of the leader, Harold Koelker, and patrol leader, Jerry Bartlett, who was in charge of the meeting. A group opening and closing was held. Following a brief business meeting, summer camp activities were discussed.

The boys participated in games of football. Others present were Jimmy Caudron, Mike Seaggs and three future scouts, Eddie May, Don Marquis and Johnny Honness.

Intermediate Girl Scout Troop 42 met Tuesday afternoon at the Venice high school student lounge with Mrs. Pauline Birks, who substituted for the leader, Mrs. Nadine Moehan. A discussion was held on badge work, after which group singing and games were enjoyed. Attending were Pauline Birks, Gloria Corra, Glenda Brown, Beverly McCarter, Linda Fears, Shirley Coggins, Cheryl Caudron, Carolyn Tidgall, Judy Austin and Carolyn Minton.

Rev. Craig R. Dillman was in charge of a class on race relations at a sub-district Methodist Youth Fellowship mid-winter institute held Monday evening at the Maplewood Methodist Church. Classes also will be held on the next two Monday evenings.

Mrs. Mae Weddle, who had been convalescing at the home of her sister, Mrs. Carrie Thiele, 204 Hampden street, since leaving St. Elizabeth Hospital two weeks ago, returned to her home in North Venice Sunday.

Frank Fouts of Waynesville, Mo., arrived Monday and will spend several days visiting at the home of his brother-in-law and sister, Mr. and Mrs. Delbert Dalton and family, 610 Washington avenue.

## HOSTESS TO CLUB

Mrs. Pauline Neidelberger was hostess Monday evening at a meeting of her pinocchio club, held at her home, 208 Broadway. Games were played and a dessert luncheon was served. Those attending were Mrs. Kathryn Fellers, Mrs. Wilma Sackett and Mrs. Taylor of Madison, Mrs. Marvel Cover of Nameoki and Mrs. Adress Brown of Venice. Hostess for the next meeting will be Mrs. Sackett.

Larry Allen, son of Mr. and Mrs. Denver Allen, 1328 Robin street, accompanied by Cecil Leslie, son of Mrs. Janita Pavlick, 125 Abbott street, and John Neal, son of Mrs. Altha Brawley, 125 Weber street, left Monday for Fort Leonard Wood, Mo., to report for basic training with the Army.

## ASSIGNED TO TURKEY

Airman Marie Kutz, son of Mrs. Mildred Kutz of the Venice Homes, left Wednesday for Charleston, S. C., to report for duty before leaving for Turkey.

Mrs. Marion Groshong, 1231 Klein street, returned home Monday evening from Carbon dale, Ill., where she had driven with her daughter, Jane Ann, as she returned to Southern Illinois University.

Rev. and Mrs. Arthur Hurry of Shipman, Ill., visited Sunday afternoon at the home of Rev. and Mrs. Craig R. Dillman and family, 419 Lincoln avenue.

## Scout Council First-Aid Meet Here Saturday

The Uniwah Boy Scout district will be host to the annual Cahokia Mound Council first-aid meet Saturday. Quad City and Edwardsville scouts will compete from 10 a.m. to noon, and Collinsville, Highland and Bond county boys will take part between 1:30 and 3:30 p.m. Locations will be the Concordia Lutheran Church, First Assembly of God, St. Joseph's Catholic Church and Niedringhaus Methodist Church. Each of the 49 participating patrols will visit all four centers, encountering a different first-aid problem at each location.

The 49 teams include 15 from Uniwah that qualified in a district meet here Dec. 14. Each patrol will have five boys assisting in first-aid treatment and a sixth boy serving as the "victim." Dr. Joseph M. Koch, council health and safety chairman, will be in charge.

# Southern Illinois CD Winter Conference Here On Jan. 31

Local Civil Defense leaders met with Mayor Leonard R. Davis last night in the city hall to finalize plans for a Winter Conference of the Southern Illinois Civil Defense Association, scheduled to be held in the Granite City high school auditorium on Sunday, Jan. 31.

Principal speakers for the afternoon session were announced as Robert M. Hanson, director of training, Education and Public Affairs, Region IV, Battle Creek, Mich.; and William F. Welsh, deputy director, Labor Participation, Executive Office of the President, OCM.

Illinois Civil Defense Agency officials will be represented by Maj. Gen. John L. Homer, executive officer, together with other members of his staff from state CD headquarters in Chicago.

In addition to regular CD personnel from the 13 counties which comprise the Southern Illinois Civil Defense Association, special invitations are being issued from the national, state and local levels to municipal and county officials, industrial representatives and labor leaders throughout Southern Illinois, urging their participation in the conference.

## Conference Topics

Main topics will be Continuity of Government, which deals with the necessity of establishing succession lines in municipal governments; "Labor's Part in Civil Defense Preparedness" and "Industry Organizing for Emergency Action."

Emphasis is being placed by Federal CD authorities on preparing government continuity in the event of enemy attack or natural disaster, and on preparing by industry to safeguard its vital resources and quickly restore production in emergencies.

Labor, Industry Take Part

The AFL-CIO is advocating civil defense participation by all labor groups in a nation-wide program. Local representation from the industrial field is being stimulated by G. W. Hoelscher, executive secretary of the East Side Manufacturers' Association and chairman of the Granite City Civil Defense Advisory Council.

Edwin R. Reiske, president of the Tri-City AFL-CIO Trades-Labor Council and a member of the CD advisory group, is assisting the local corps in promoting interest in the meeting with various labor organizations in the southern portion of the state.

Those attending last night's session were Mayor Davis, CD Director George Schumacher, Assistant Director Victor Koenig, Deputy Directors Ted Todoroff, Floyd Mitchell and Mrs. Valerie Evenden, Military Co-ordinator George Eubanks, Industry Co-ordinator William Whitehead, Welfare Co-ordinator Irvy Todd, Radiological Co-ordinator Lewis Sabin, Intelligence Co-ordinator Lloyd Eads and Leonard J. Azzerolo, Transportation Division.

Briggs Infant Succumbs

Richard M. Briggs, one-day-old son of Mr. and Mrs. Richard H. Briggs, 2455 Logan avenue, died at 8:15 a.m. yesterday at Christian Welfare Hospital in East St. Louis.

In addition to his parents, the infant is survived by the paternal grandparents, Mr. and Mrs. Richard A. Briggs, and the maternal grandparents, Mr. and Mrs. Udel Bischoff, all of Granite City.

Funeral services were conducted at a Granite City funeral home at 1:30 p.m. today. Other arrangements appear in today's obituary column.

## DISTRICT LEADER GUEST OF JUNIOR MAECENAS

Mrs. James Seagraves, 22nd District president of the Illinois Federation of Women's Clubs, was guest speaker at the first 1960 meeting of the Junior Maecenas Society, Tuesday evening, Dalgroff, 1850 Bremen avenue.

Mrs. Seagraves briefly outlined the Community Improvement Achievement contest being sponsored by the state federation. With the aid of posters, the district's top executive went on to give information on the world-wide General Federation of Women's Clubs organization beginning with a history of the federation. Mrs. Seagraves explained what it is, how it functions and the development of the Junior division.

Starting with the international membership of 11,000,000 women, the national level 900,000 members in 16,000 clubs and the Illinois membership of 84,000 through the district and local levels, she showed the aims and accomplishments that this number may and should be capable of achieving.

Mrs. Seagraves also gave a detailed explanation of various charity projects which the Illinois Federation of Women's Clubs, describing where the donations are used and for what specific purposes. In order to allow the guest ample time, Mrs. James DeWitt, president, dispensed with the usual business meeting following the club collection and reading of minutes.

The evening concluded with refreshments served by the hostesses to Mrs. Seagraves and Stephen Line, who also was a guest, and 14 members. The Junior Maecenas Society scheduled its next regular meeting for Feb. 2 in the home of Mrs. Charles Pritchett, 3108 Hill avenue, with Mrs. Ray Minnick, bookmobile librarian, as the guest speaker on literature.

## AFRICAN WOMEN TOPIC OF WOMEN'S SOCIETY

"The Role of the Christian African Woman" was the topic of the January program at a monthly meeting of the Women's Society of Christian Service at the Nameck Methodist Church Monday evening.

Mrs. Dorothy Luckert gave the devotional, which centered on the program theme. Later, the subject was further explored in a lesson presented by Miss Morone Groshing, assisted by Mrs. Ann Stalcoff and Mrs. Ruth Hancock. Two films, which were used to illustrate the topic, described in travelogue form various areas of the African continent, and growth of mission establishments.

Miss Groshing, president, was in charge of the business meeting, with preliminary plans made for a pie sale Feb. 19 and 20. Members were asked to donate home-baked cookies as Valentine Day gifts at the Laver Bates Davis Neighborhood House, East St. Louis. The group also was advised that contributions of soap and wash cloths are needed for the settlement house.

Mrs. William Kierhofer offered closing meditations, and a social hour concluded the meeting. Refreshments were served to 15 members by Mrs. Jan Kobl, Mrs. May Bailey and Mrs. Irene Key. The society will next meet at the church Feb. 1.

## DISTRICT DIRECTOR TO VISIT LEGION AUXILIARY

Past Presidents of the American Legion Auxiliary, District Unit 113, held a monthly business meeting and social evening Monday in the Legion hall on Madison avenue, with Mrs. Alma Klaus, president, in charge.

A report on a recent annual holiday party was given, with the president thanking members of the arrangement committee for their efforts. Letters of thanks were read from recipients of the Past Presidents' Christmas donations, including the Care organization, Veterans Craft Shop and Nurses at Norbury. A "get well" token was signed by the ladies for Mrs. Ann Harmon, who is presently recuperating following surgery at St. Mary's Hospital, Clayton, Mo.

Mrs. Klaus announced that the district director, Mrs. Marie Sullivan of East St. Louis, will be a guest of the auxiliary at the next regular meeting Jan. 12, and urged ladies to be on hand to greet the new executive. The remainder of the time was spent socially, with plans made for entertainment under the direction of the hostesses, Mrs. Hazel Odum, successful comedian, who received prizes were Mrs. Lucille Cooper, Mrs. Minnie Grobe, Mrs. Ida Klaus, Mrs. Georgia Kramer, Mrs. Ada Doherty, Mrs. Esther Harris and Mrs. Edna Whaling.

The Past Presidents club will hold its next regular meeting Feb. 1.

## FAMILY PARTY HONORS

Mr. and Mrs. Michael Lombardi entertained with a party Monday evening in their home, 2108 Adams avenue, in honor of their daughter, Leslie Lynn, who observed her third birthday last week. A social evening was enjoyed by the adults while the youngsters present played informal games.

Many gifts were presented by her parents and relatives, and a dessert course was served by the hostess. The refreshment table was appointed in appropriate fashion and held a centerpiece of a large ice birthday cake topped with candles and miniature ballerina figurines. Noisemakers and other party novelties were presented to the young guests as favors.

Among those honoring her were her grandparents, Mr. and Mrs. J. Delamano of Collinsville and Mr. and Mrs. Louis Lombardi of Granite City. Also present were the honoree's great-grandmother, Mrs. Anna Mesinger, Collinsville, and Miss Esther Mesinger, St. Louis. Mr. and Mrs. George Moehner and daughter, Diane, Edwardsville, and Mr. and Mrs. Nick Lombardi and daughter, Christie, Mr. and Mrs. Michael Chomlo and sons, Jimmy and Johnny, Mrs. Hilda Lombardi, Miss Marilyn Lombardi, George Barker, Ronnie and Donna Lombardi, Jim Dugan and the honoree's brother, Mike Jr.

## WEEKEND GUEST

Mr. and Mrs. Jerry Sladky and children, Judy, Jerry, Terry and Valerie, returned to their home, 4116 Melrose avenue, Sunday after spending the weekend in Blackhawk, Mo., where they were house guests of Mr. and Mrs. Roy E. Smith and children, Roy Jr. and Linda.

## Auto Skids On Ice Hits Utility Pole

Five persons escaped injury about 6:45 a.m. today when their auto went out of control on a patch of ice on Edgewood street and crashed into a utility pole about 300 feet north of Prickles lane.

The driver, David Lee Sumner, 23, of 2908 Myrtle avenue, was unhurt, but the car, a 1958 Buick, was badly damaged, when his auto skidded on the icy pavement. The car was jammed against the right side and was towed away.

Passengers were Michael, Roy and Teresa Sumner, all of 2908 Myrtle avenue.

## \$125 Damage To Divan Caused By Cigaret

A cigaret was blamed for a fire which caused \$125 damage to a divan at the home of Mrs. Norma Jackson, 2454 Delmar avenue, about 9 p.m. Monday. Granite City firemen who answered the alarm, said no one was injured.

Firemen from the downtown station also answered two alarms Tuesday. Rubbish was burning in a vacant lot in the 1800 block of Russell street and was extinguished about 4 p.m. and two hours later they were summoned to the Madison Foundation Co. 18th and Benton streets, where a passing motorist reported a blaze. The fire was in a pit to keep the building warm, firemen said.

## NAMECK UPWA BOARD PLANS YEAR'S PROGRAMS

The executive board of the Nameck United Presbyterian Women's Association held its first meeting of the new year Tuesday evening in the home of Rev. and Mrs. Calvin Marcum, 4062 Vesel avenue. Mrs. Betty Norm, president, who is beginning her second year in office, gave the opening prayer and welcomed new officers attending for the first time.

A short devotional was given by Mrs. Fern Mitchell. Most of the business meeting was spent previewing program outlines for the coming year, with the initial program based on the topic of "Why Meet?" to be held at the January associational meeting next Monday at 7:30 p.m. at the church.

Mrs. Flinn reported a letter from Mrs. E. Redhouse, Presbyterian reporter, who gave details of future plans including announcement of the Spring Presbyterial to be held in April, with afternoon sessions at the College Avenue Presbyterian Church, Alton, and an evening meeting in the Elm Street Presbyterian Church, Alton.

Mrs. Loo Pyle, world service chairman, reported on her trip to the Kerner-Children's Home, Assumption, Ill., to deliver Christmas gifts from the women's group during the holidays.

Mrs. Pyle also relayed a request from the Quasi-City Council of Churchwomen, which seeking donations of used blankets for distribution in Algeria. Those wishing to make a contribution were asked to bring the blankets to Mrs. Pyle's home, 1716 Moro avenue, before Friday, Jan. 15.

A sample cancer badge was displayed, and members who agreed to assist in making bands were asked to be at the home of Mrs. Louise Thompson, 2232a Grand avenue, Jan. 14 at 9:30 a.m. to prepare the necessary materials. A dress schedule for both circle and associational meetings was completed, with Mrs. Mildred Finer and Mrs. Gertrude Schnyder asked to serve as hostesses for the first associational meeting Jan. 11.

Plans to start a new world service sewing project were discussed, and purchase of material was authorized. A dessert course was served by the hostess to Mrs. Flinn, Mrs. Louise Anderson, Mrs. Pyle, Mrs. Joan Kaseberg, Mrs. Ann Freeling, Mrs. Bonnie Britton, Mrs. Irma Taylor, Mrs. Thompson, Mrs. Alta Stewart, Mrs. Pauline Baldwin, Mrs. Mitchell and Mrs. Bee Pyle.

## CLUB PLANS ELECTION

The first meeting of the new year of the Madison Ladies Democratic club was held Monday evening at the Sportsman's club. The president, Mrs. Hazel Swigert, presided and a short business meeting was held, with each member signing cards to be sent to Mrs. Anna Spahr and Mrs. Veronica Kula, who have been ill.

An election of officers will be held at the February meeting. A social time filled the remainder of the evening, with games played and a luncheon served by the hostesses, Mrs. Ida Dant and Mrs. Mary Bridick, to Mesdames Helen Hinson, Jean Henderson, Josephine Knezovich, Eyn Podoba, Violet Bader, Nellie Gnojewski, Betty Rodgers, Elizabeth Bergrath, Louise Lewis, Elizabeth Wisnick and Florence Spahr.

Hostesses for the February meeting will be Mrs. Ann Bialack and Mrs. Maxine Costoff.

Alman 3rd class Donald Price, son of Mr. and Mrs. Arvel Price, 2874 Iowa street, spent the holidays here visiting his parents and friends. He returned to Dayton, O. where he is stationed Sunday afternoon.

## PEPPY CLASS TO START PROJECT FOR CHURCH

Mrs. Franklin Bucher was hostess to the Peppy Sunday school class of the First Presbyterian Church in her home, 1537 Fourth street, Tuesday evening. The president, Mrs. Clara Lux, presided over a short business meeting, which was opened with prayer by Mrs. Ruth Fogle.

The project for the class is obtaining tile for the service room of the church. The project will be started Jan. 11.

A social time followed the business meeting, with games being played and prizes awarded to Mrs. Betty Meyer, Mrs. Ruth Fogle, Miss Opal McFarland and Miss Dorothy Hinson. Others taking part were Mrs. Charles Lybarger, Mrs. Clova Taylor, Mrs. Hazel Hinson, Mrs. Ruth Nicholas and Miss Lucella McCoid.

The next meeting will be held Feb. 2 at the Hinson home, 1530 Third street. A luncheon was served by the hostess.

## NEW OFFICERS PRESIDE

New officers for the year of the Past Noble Grand club of Delray Rehoboth Lodge 781 were in charge of the club's meeting Tuesday evening in the home of Mrs. Sella Clemens, 1703 Third street. Miss Margaret Brown was co-hostess. The officers are Mrs. Pearl Serini, president; Mrs. Geraldine Brooks, vice-president; Mrs. Clemens, secretary; and Mrs. Ruth Hannebriug reporter.

Mrs. Serini presided over a short business meeting, at which time a social time was enjoyed. Games were played, with four prizes awarded. A luncheon was served by the hostess. The next meeting will be held in the home of Mrs. Serini, 1927 Third street, with Mrs. McIntire as co-hostess.

Robert Wojtowicz opened a weekly meeting of Dan Three of St. Mary's Club Pack 47 Monday afternoon at the home of the den mother, Mrs. Anthony Rakiewicz, 1608 Fifth street. Scout work was discussed, along with awards to be received in February.

Andrew Rakiewicz and Billy Steiner, den chief, assisted Eugene Kierski, Michael Dilling, Timothy Morton, James McClure, Albert Hudzik, James Kozak, Daniel Timko, Arthur Rakiewicz and Gary Wasylak with handicrafts. Games were played, and refreshments were served.

Donna Schleeter, president of Girl Scout Troop 111, opened the first meeting of the new year first meeting in the home of the leader, Mrs. Sally Boeworth, 1061 Second street. Attending were Pat Moss, Pamela Hinson, Nancy Layman, Alice Grimes, Janet McBrien, Sharon Falgout, Paullette Voloski and Marcia Githco. The hostesses, Sharon Falgout and Pamela Hinson, served refreshments. The girls named gifts they received for Christmas. Donna Schleeter and Alice Grimes will furnish refreshments for the next meeting.

## Scout Commissioners To Welcome New Executive

A special council-wide meeting will be held Feb. 3 for Cakobai Mound Council commissioners to enable them to meet the new executive, Eugene Cox, who is to arrive here Jan. 18. Another topic of the meeting, to be held at the club's annex, will be the 1960 Camp Sunnen promotion kickoff.

The meeting was announced at a monthly commissioner's meeting last night at the council office, 480 toward building of the National Commemorative Tribute in Washington to mark scouting's fiftieth anniversary.

Univah Executive Dan Brown reported that the council raised \$400 or over 12 cents a boy for the 1959 World Friendship Fund "good turn." To date, units have contributed over \$80 toward building of the National Commemorative Tribute in Washington to mark scouting's fiftieth anniversary.

Peace of mind comes to the average man after he decides to quit making good resolutions. The annual Eagle court of honor Jan. 18.

## MRS. JONES ENTERTAINS

Games were played, with four prizes awarded. A luncheon was served by the hostess. The next meeting will be held in the home of Mrs. Lois Hoffman, 1620 Clark avenue, Feb. 2.

## RETURN FROM ARIZONA

Mrs. and Mrs. Steve Dudak returned to their home, 1714 Sixth street, Sunday after spending the Christmas and New Year holidays in Phoenix, Ariz., visiting a daughter, Miss Evelyn Dudak, who is residing there.

Mrs. Dudak left Madison Dec. 18 and was joined by her husband on New Year's Day. The two returned by train. Several tours and parties were held by the daughter for the occasion.

The Wilma Weeks Girls Auxiliary met at the Temple Baptist Church Monday with the councilor, Mrs. Paul Washburn. Mary Jackson, vice-president, opened the business meeting and the girls sang. Paula Gushfield read a missionary prayer calendar. The program chairman, Mary Ann Chamberlain, presented a program on "Cuba - Treasure Island" while taking part were Peggy Jackson, Eva Whit, Wanda Jackson, Donna Bone, Glenda Hoon, Paula Brown, Rosa Dew, Judy Sharp and Charlene McCauley. Mrs. Washburn served refreshments.

## County Election Filing To Open

**Monday, Jan. 18**

Interest is rapidly mounting in the 1960 elections as the first of the filing periods draws near. Filing of petitions for Madison county elective offices will begin Monday, Jan. 18, and end the following Monday, Jan. 23.

Indications are that there may be several heated contests for county Democratic nominations in the April 12 primary, although it appears likely that all five incumbents will be seeking reelection. The general election will take place in November.

Present officials expected to file are State's Attorney Dick H. Munro Jr. of Edwardsville, Recorder of Deeds James F. Chapman of Collinsville, Circuit Clerk Simon Kellerman Jr. of Edwardsville, County Auditor John L. Kraybill of Edwardsville and Dr. W. W. Billings of Alton, coroner.

All are Democrats.

Mayor Leonard Davis of Granite City is considering running for coroner, and there is a possibility that James Callahan of Alton, a former county official, may run for auditor. Other candidates also are anticipated.

Each office also is expected to draw at least one Republican candidate, although no Republicans have succeeded in winning general county offices since Dallas Harris was sheriff in the early 1950's. A Republican, Harold R. Clark, currently holds one of the three circuit judge positions in the new circuit conforming to boundaries of the county.

Cong. Melvin Price and State Representatives Lloyd C. Harris, Paul Simon and Ralph Smith are expected to seek reelection. All are Democrats except Smith, a Republican.

Opposition is anticipated for the four incumbent East Side Levee and Sanitary District board members seeking reelection. They are Dan Costello, John E. Molla, George Duff and Lawrence Talar. All reside in St. Clair county and are all Democrats.

Monroe Plann of St. Clair county, a former Granite City man, plans to file for the Democratic nomination in opposition to the levee board slate. Costello has announced that his group will enter five candidates, the fifth possibly coming from Madison county.

Madison county school trustees whose six-year terms expire this year are Willard G. Flagge of Fort Russell township and John R. Walker of Wood River. The trustee board is non-partisan. A party committee from each precinct also will be elected this year.

## Mrs. Sentiff New DeMolay Mothers Club President

Mrs. Pauline Sentiff was installed as president of the DeMolay Mothers at the regular meeting Tuesday night in the Mission Temple. She succeeds Mrs. Caroline Moser.

Other officers installed were vice-president, Mrs. Kathleen Mundy; secretary, Mrs. Lucille Pascoe; treasurer, Mrs. Lily Chape; and chaplain, Mrs. Marge Finson.

Two new members were enrolled. They were Mrs. Myrtle Pascoe and Mrs. Gwendolyn Berry. Prizes were won in a social hour after the meeting by Mrs. Mildred Moss, Mrs. Verna Stuart, Mrs. Carmen Toth, Mrs. Lucille Webb, Mrs. Betty McChlorik, Mrs. Hazel Scherrills, and Mrs. Lucille Hill.

Refreshment hostesses were Mrs. Lorraine Bischoff, Mrs. Irene Dawes and Mrs. Grace Jourban. They served 21 members and also 76 DeMolay members, who met Tuesday.

## SORORITY TO ASSIST HEART FUND CAMPAIGN

The Beta Phi Chapter of Epistol Sigma Alpha Sorority will assist the Heart Fund Campaign in February. It was voted at the monthly business meeting in the YMCA club room Wednesday.

At the meeting the sorority also planned a candy sale in February and a style show in May, to be held at St. Peter Evangelical and Reformed Church.

Earl Parsons, local hair stylist, gave a talk on care of hair and different current styles to the 18 members who attended the meeting. The social gathering for January will be a card party Jan. 20.

## GARDEN CLUB SEES SLIDES OF EUROPE

Slides of Europe, presented by Mrs. William Kitchner, were viewed by 19 members of the Granite City Garden Club at a luncheon meeting Wednesday in the home of Mrs. Rolla Grewell, 3801 Nameoki road.

Roll call was answered by discussions of house plants. The next meeting, to be held in the home of Mrs. D. W. Houten, 2221 Waterman avenue, will be an election gathering. Mrs. Albert Stevens is the current president.

## MRS. ELIZABETH SLAY ENTERTAINS GCB CLUB

The GCB Club was entertained by Mrs. Elizabeth Slay in the home of her daughter, Mrs. Paul Meyer, 2019 Garfield avenue, at a Wednesday luncheon.

Prizes in games were won by Mrs. Lottie Scherrer, Miss Henrietta Branding, Mrs. Dan Seymour and Mrs. John Harbig. Miss Branding was a guest.

The next meeting will be held Jan. 27 in the home of Mrs. Etta Dawson.

## New President Conducts St. John Guild Meeting

Mrs. Judy Stille conducted her first meeting as president of the St. John United Church of Christ Evening Guild Monday and introduced her department and chairmen.

The Christian Stewardship chairman is Mrs. June Lux, education, Mrs. Theima Sues; service, Mrs. Dorothea Rivenburgh; social action, Mrs. Mae Gottfried; missionary education, Mrs. Doris Laboray; and spiritual life chairman, Mrs. Ino-gene Buer. Mrs. Stille also appointed vice-president Mrs. Beatrice Rittenhouse as refreshment chairman.

Membership committee members, Mrs. Thelma Jacobson and Mrs. Martha Bischoff, were re-appointed. Mrs. Alice Pfoen-nel was installed as a new member of the guild.

Programs for the year were discussed at the meeting and a subject, "Make a Bed" was approved. The bed supply kits will be given for overseas missionary work.

Devotions were led by Mrs. Buer, scriptures read by Mrs. Wilma McQuinn and the prayer was presented by Mrs. Helen Robertson. Twenty-two members and a guest, Mrs. Genevieve McCormick, attended.

The next meeting will be a Valentine party, and "singing friends" will be revealed with the gift exchange.

## Nurses Meeting To Be Held Next Thursday

Registered professional nurses working in medical and dental offices will meet at Bellevue on Jan. 14 at 6:30 p. m. to hear a panel discussion on "Changes in Nursing Practice and Responsibilities." "Malpractice as it pertains to Nurses," and a definition of the legal responsibilities of the office nurse.

Participating in the panel discussion will be Mrs. Nina Wojcik, East St. Louis; Miss Ella Lang, East St. Louis; and Mrs. Joan Rose of Bellevue. Miss Elizabeth Fulghum of Chicago, associate executive secretary of the Illinois Nurses' Association, also will be a speaker, and her topic will be "The Office Nurse, the Professional Enigma." She will discuss functions, standards and qualifications of the office nurse and the economic security program of the INA. Another program participant will be Mrs. Pat Kane of Bellevue, who will speak briefly on "The Professional Organization. Does it Answer My Needs?"

The meeting will be held at Augustine's restaurant and reservations may be made this week with Mrs. Rosa, 205 Columbia street, Bellevue.

## Mrs. Kassabaum Is New Royal Neighbor Oracle

Mrs. Violet Kassabaum was installed as Oracle of Francis Ross Camp No. 3534 Royal Neighbors, during public ceremonies last night at the Odd Fellows hall.

The meeting was opened by the retiring Oracle, Mrs. Eula Murawski. The presentation of the flag was made by Mrs. Lizette Pippin, and Juvenile Member Gail Voelger presented a Bible.

The installing officers were Deputy Margaret Kouchina, Stantun; Doris Laboray, Assistant; Ceremonial Marshal Dolores Voelger, Installing Chancellor Carrie Curtright and Installing Musicians Dorothy Westbrook.

Other carrying officers were Past Oracle Mae Seiber, Vice-Oracle Hazel Robbins, Chancellor Ida Murray, Recorder Alysia Seipel, Receiver Sussie Brewer, Marshal Ethel Robinson, Assistant Marshal Doris Wiger, Inner Sentinel Harriet Dugan, Outer Sentinel Elsie Quintan, Manager (three-year term) Esther Farr, Flag Bearer Hulda Forcade, and Mrs. Esther Farr, Faith; Mrs. Jessie Sayers, Courage; Mrs. Pearl Griffin, Modesty; Mrs. Mabel Clark, Unselfishness; and Mrs. Clara Ledbetter, Endurance.

As Oracle Violet Kassabaum was installed, her granddaughter Patricia Polite presented her with a bouquet made of flowers in the Grace division colors. Vice-Oracle Hazel Robbins also received a bouquet from her granddaughter, Carolyn Fielder, upon her installation.

Musical tributes were paid to the new officers following their installation, and also to the past Oracle and Chancellor.

Mrs. Kassabaum was introduced as Madison County Oracle and presented with a gift from the Camp by Madison County Recorder-Recevier Alysia Seipel.

The installing officers were presented with gifts from the Camp and retiring Oracle Mrs. Murawski presented her officers with gifts.

A talk on the Royal Neighbors National Home at Davenport, Ia., was given by Deputy Margaret Kouchina. Following the meeting, refreshments were served to 100 members and guests in the hall annex.

**COUSINS CLUB HAS LATE CHRISTMAS PARTY**

The Cousins Club held a luncheon meeting in the home of Mrs. Curtis Ewins, 2007 Denver street Wednesday and had a belated Christmas party with an exchange of gifts.

Thirteen members and three guests, Mr. and Mrs. Rudy Ekmore and daughter, attended the meeting. Those present were Mrs. John Harsh, Mrs. Peter Ferro, Mrs. John Graham and daughter, Mrs. Edward Hagnauer and daughter, Mrs. Frank

MR. AND MRS. MELVIN HUEBNER, who were married Dec. 31 at the Mitchell Presbyterian Church. The bride is the former Joyce Bridges, daughter of Mr. and Mrs. Robert Love, 3513 Johnson road. The groom is the son of A. J. Huebner, 1515 Johnson road, and the late Mrs. Huebner.

Niepert Jr. and Mrs. Robert Niepert from Granite City. Out-of-town members attending were Mrs. Charles Auer, Mrs. J. Ferguson, Mrs. Hays Mallory, and Mr. and Mrs. Ralph Niepert.

## Girl, 4, Catches Hand In Wringer of Washer

A splint was applied to the right hand of four-year-old Gale Ann Dian, who suffered severe abrasions upon catching her hand in the wringer of a washing machine. The girl, a daughter of G. H. Dian, 1120 Greenwood street, was given emergency treatment yesterday morning at St. Elizabeth Hospital.

Three other youngsters, all injured in falls, also received emergency care yesterday. Three stitches closed a chin wound for five-year-old Robert Household, 2023 West 22nd street.

Also receiving three sutures was nine-year-old Michael Teilor, son of Gerald Teilor, 2010 Manley avenue. The boy fell against a cabinet and suffered a cut to his forehead.

Little three-year-old Patricia Curtis, daughter of William Curtis, 1808 State street, hit her tongue in a fall. One stitch closed the wound.

## Amvets Prepare For Commander's Visit

Madison Amvets met last night at the Polish hall, Madison, to complete plans surrounding the visit of State Commander Edwin Fifeleski here next week.

Fifeleski is touring posts in the Fifth Amvets district, and will conduct a joint meeting of Granite City Post 51, Madison Post 204 and Long Lake Post 187 at Post 51 headquarters, 1832 Delmar avenue on Jan. 14.

The state commander's schedule includes visits to posts in Mount Vernon, East St. Louis and Bellevue in addition to his visit here. The local gathering is set for 7:30 p. m. Post 51 Commander William Webb is in charge of arrangements.

At Wednesday's meeting membership chairman Harry Perkins said that 96 of the 108 active memberships in Post 204 had been renewed and that his membership renewal drive should be concluded successfully within the next week.

A guest at the meeting was District Senior Vice-Commander John Brinks.

## St. Mary's Rolls To 7th Straight Conference Win

St. Mary's parochial school in Madison made it two wins in succession over St. Bernard of Wood River last night, defeating the visitors 41-25 on the Madison Junior high school court.

St. Mary's has now won seven straight conference games, and travels to Venice grade school tomorrow in search of its eighth in Chouteau Valley play.

Harold Besserman topped the winners with 13 points, and John Novich Jr. and Mike Dillon added nine each last night. Rich Zuchek scored six, while Skip Lacumak, Mike Garcia and Elwood Besserman each had two points.

The St. Mary's "B" squad won out 17-14 in a preliminary contest.

state aid, and an additional \$97,000 state aid received previously when \$254,000 in state tax was eliminated by the timing of an earlier assessment change, the district has had a net tax loss of about \$172,000. The district's debt was \$600,000 at the end of the 1958-59 fiscal year and is expected to be somewhat higher by the end of 1959-60.

**City Heaviest Loser**

The city was the heaviest loser under the settlement. Of the original \$170,366 under protest, the city lost about \$87,172, but gained \$83,194, enough to offset the anticipated \$60,000 deficit.

Tuesday's hearings were conducted in both the circuit and county courts within a seven-hour period, starting at 11 a.m. and continuing through 6 p.m.

The circuit court ruled on the \$3,155,630 assessment reduction, while the county court handed down orders setting the amounts upheld or overruled in the company's tax rate protests.

At the outset of Tuesday's hearings, Granite City Steel Co. withdrew its original complaint for injunction against County Treasurer Dan McGee and Granite City Township Tax Collector Frank Sappington and filed an amended complaint which challenged only the validity of the assessment of its cash.

The firm originally had protested about \$11,000,000 of its assessed valuation, seeking to cut its 1958 assessment from \$28,000,000, as compared to a 1957 assessment of \$19,000,000.

The court entered a decree sustaining objections of the company to the assessment of cash for the 1958 tax year on the ground it lacked uniformity and was discriminatory, invalid, illegal and void. Evidence presented showed that the total assessment of cash for all taxpayers of Madison county for 1958 amounted to \$3,627,245 of which \$3,155,630 was assessed for Granite City Steel Co. alone. Testimony was offered that on April 1, 1958, the amount of cash on deposit in all banks in Madison county was in excess of \$175,000,000.

In the objections of tax rates extended against the plant's assessed valuation of real estate and personal property, the county court upheld the plant's protests in the amount of \$104,223 of its tax bill and overruled objections totaling \$78,624.

**1959 Objections Expected**

While the steel plant's assessed valuation for 1958 has been agreed upon by the amount of \$37,500,000, Granite City council members are worried about further tax rate tests when the 1959 tax bills are mailed next spring or summer. Not only do they fear new objections from local industries, but also the possible organization of home owners and other property owners to fight the rates designated as invalid for 1958 in the hearings.

During Monday night's council session, Alderman Walter Nunn called upon the mayor to arrange a meeting with state legislators from this area and appeal to them for modification of state laws governing city tax rates in order to eliminate future protests.

Mayor Davis reluctantly agreed to make such arrangements after the council supported Nunn's motion. However, the mayor and several aldermen pointed out the need to talk about the city's tax rates, especially during an election year, and it was suggested the city might ask others in appealing to the Illinois Municipal League for assistance in the legislature.

**Original Rate Protests**

Under the steel mill's original objection 31.31 cents of the city's total 70.1-cent rate was overruled, as compared to 1.50 cent out of a \$16.03 rate for the school district, 4.7 cents out of 12 cents for the township, 10.4 cents out of 20.8 cents for the county and 2.29 cents of 38.1 cents for the levee district.

Amounts of tax rate protests sustained by the court were—\$65,636 against the city of Granite City, \$5468 against the township, \$15,636 against the township, \$6995 against the levee district, and \$21,588 against the county. No protests were filed against Granite City district tax rates.

Of the combined assessment and tax rate losses by the taxing agencies, the city lost \$87,172; the school district, \$36,051; the township, \$2201; the levee district, \$18,716; and the county, \$28,152.

Mr. and Mrs. Ben Olive, 701 Kirkpatrick Homes, returned Tuesday from Detroit after spending the holidays visiting their son and daughter-in-law, Mr. and Mrs. Ben Olive Jr. and children.

under fire departments. The sets operate only when a fire message is being given and go dead again within a minute.

Miller said it is planned to eliminate sounding of the city hall siren on future night calls, since all of the firemen will be alerted by the radio. This is expected to result in less lights and traffic congestion at night, as well as letting people residing near the city hall to continue sleeping without being disturbed.

## GC Leaders For Mothers' March Are Selected

The New Mothers' March against crippling birth defects, which will be held in Granite City by Mrs. Truxton Allen and Miss Ronella Kline, civic leaders active in community work, it was announced today by Alderman Gabrielle A. Reine, director of the New March of Dimes campaign.

The house-to-house visitation which traditionally has been held in the January March of Dimes appeal will be held Thursday, Jan. 28, starting at 8 p.m.

This year's efforts are dedicated to the National Foundation for the March of Dimes, which is being expanded to include financial aid to patients suffering from congenital defects, from rheumatoid arthritis and three types of birth defects. Aid will be offered to paralytic polio patients of all ages.

As leaders of the door-to-door drive, Mrs. Allen and Miss Kline will have responsibility for planning and organizing the event and will head a large army of women who will raise funds for patient care and control of the three major crippling diseases.

"The job of the New March of Dimes is so big and the need so pressing that every penny must be reached," they said. "It is important to bear in mind that in four or five years, if the program is not successful, people don't realize what vicious crippling diseases and arthritis can be."

## Morris Heads Model Airplane Group

Paul Morris was elected president of the Tri-City Skyline model airplane club last night during a meeting at the YMCA. Morris will succeed John Blum, president of the club since it was organized here in 1957.

Other officers elected were John Fulcher, vice-president; Art Conary, secretary; and Richard Conary, treasurer. Blum, president of the board of directors, elected for one-year terms, included Blum, Les Childers and Robert Gage.

Conary said 23 entries have been received in the club's winter model building contest, and that classes for beginning modelers will be scheduled to begin soon at the YMCA. The club's next modeling movies at its next meeting on Jan. 20.

## John A. Huck, 79, Dies In St. Louis

A local resident of 2548 Iowa street, died of complications at 8:30 p.m. Wednesday at Little Flower Convalescent Home, St. Louis. He had been a patient at the home since suffering a cerebral hemorrhage at home last April.

# C. of C. Endorses Change in New Expressway At Venice

A change in the proposed routing of Federal Aid Route 151, recommended by Venice city officials, was endorsed Tuesday evening by Tri-Cities Chamber of Commerce board members.

At the suggestion of Mayor John E. Lee and Venice Engineers Edward Juneau and Jack Toeners, the new routing of the expressway through Venice would be 80 to 100 feet west of the county road and Main street, going under the east approach to McKinley bridge and the Illinois Terminal Railroad and the original planned routing at the Venice-Brooklyn city line.

Relocation of the expressway in Venice would prevent the isolation of sections of the city, as well as eliminating the traffic bottleneck in the vicinity of the Broadway railroad crossing.

The city engineers pointed out right-of-way would be less costly, and the relocation would facilitate movement of traffic into the McKinley Bridge. With the new routing, an overpass would be erected near the McKinley Bridge for southbound traffic using the McKinley Bridge, it was explained.

The Venice officials were introduced by Donald Partney, Granite City alderman and chairman of the C. of C. Transportation Committee.

Two Sessions This Week

Partney said his group had met twice in the past week, including a session Tuesday afternoon, and that future meetings will be held twice before a decision will be held with state highway officials to discuss the new expressway routing.

Purpose of Tuesday afternoon's meeting, held at the C. of C. office, was to determine if there were any objections to the river road. Venice officials and engineers were among those present, along with Milton Morris, a member of the committee, and Nicholas E. Vesich, A. W. Morris III and C. E. Townsend of the Community Development Commission. Also present were: William Warfield, Col. J. C. Jeffery, Granite City Engineer David H. Thompson, post engineer; Carl Rant and John Barron of the Tri-City Regional Port Authority; Jon Dressler, member of the C. of C. committee; Mayor Lee and Venice Engineers Juneau and Toeners.

Partney said the next committee meeting yet to be scheduled will be held with Mayor Davis, City Engineer Johnston and city officials.

Some of the loot is being recovered. Already this week, two men have been charged with break-ins and two depot soldiers with thefts of tires, wheels and hubcaps, and the detectives today are questioning suspects in a series of other burglaries. It looks like we'll have just about everything cleared with the exception of the \$150 stickup on New Year's Day at Murphy's tavern, 27th street and Madison avenue, and we're working on that.

**Alerted By Neighbor**

Early Tuesday morning, about 4 o'clock, police were notified by a woman living in the 2500 block of Nantucket road who said she heard glass break at the Na-Bor-Hood confectionery, 2228 Nantucket road.

Arriving at the scene, police arrested inside the store Claude Day, 34, of 4908 Kirkpatrick Homes, who later was charged with burglary. Police who entered the building with drawn guns, said Day surrendered without a struggle. His hearing has been set by Police Magistrate Casparovic for Feb. 12, and he was taken to the county jail at Edwardsville in lieu of \$1500 bonds.

**Another Charge Filed**

Also on Tuesday, members of the detective force obtained information that a man peddling cigarettes and arrested Herman Root, 21, of 2250 State street. He was charged with burglary and larceny on a warrant filed yesterday.

Police said the charge was based on Monday night's break-in at the Star Service station, 1817 Madison avenue, where 10 packages of cigarettes were stolen. Entrance was gained by breaking a window on the south side of the station building. A desk drawer was pried open. The break-in was discovered Tuesday morning by Forrest Boelling, 618 Broadway, Venice, a city employee.

Root waived his preliminary hearing before Police Magistrate Casparovic and was bound over to the Madison county circuit court grand jury. His bond was set at \$1500.

# SICL Balks At Reciprocal Tax Agreement

Senator James O. Monroe (47th District) told members of the Southern Illinois Citizens League Tuesday night that he supports their objections to the taxation of citizens who cross state lines in order to earn their livelihood.

Monroe spoke before the regular SICL monthly business meeting held at the Veterans of Foreign Wars Hall, Collinsville, and advised the group that he plans to contact the old Interstate Co-ordination Agency to determine if some sort of reciprocal agreement can be made in regard to the St. Louis and Missouri tax impositions on Illinois residents who work in Missouri.

The agency consists of some seven Illinois State Senators from Madison, St. Clair and other nearby counties, and the same number of senators from the city of St. Louis and St. Louis and St. Charles counties in Missouri.

However, during the meeting the officers and members of the league indicated that they take the view of any development of a reciprocal agreement of a reciprocal agreement.

"The Missouri members of the B-S-TA Development Agency have indicated the 'Show Me State', since the inception of this newly organized group, has learned how to do things right, wants to know, once again, what can you do for me, and what we can do together," said Norbert J. Schenk, a member of the SICL public relations committee.

Members were told that three league membership meetings are to be held during the remaining portion of January. The first is scheduled in Troy on Jan. 13, and will be followed by one in Belleville on Jan. 19 and another at Cahokia high school on Jan. 26. Further information on any of the meetings will be furnished by writing the league at Post Office Box 432, Granite City.

## Woman With Broken Arm Completes Washing

A local woman broke her arm Monday night while doing her laundry but completed the laundry before going to the hospital the next day.

Mrs. Edith Hackney, 59, of 1836 Courtenay bldg., went to St. Elizabeth Hospital and was treated to be treated for the pain in her arm. An x-ray was taken which revealed a fractured left arm.

## Peter Merzian, Former Resident, Succumbs

Funeral services for Peter Merzian, about 65, a former resident of Granite City, will be conducted at 12:30 p.m. Saturday at St. Shoghagat Apostolic Armenian Church in East St. Louis.

Mr. Merzian, who resided at 3707 Grandview Square, St. Louis, died at St. Elizabeth Hospital on Jan. 5, after a long illness. He had resided in Granite City for 30 years previous to moving to St. Louis 13 years ago. While a resident here he operated Eastern Cleaners, which also had been in the dry cleaning business in St. Louis.

Born Armenia, Mr. Merzian is survived by his wife, Esther, one son and one daughter, all of St. Louis. Interment will be in Sunset Hill Cemetery, Edwardsville.

## No Developments In Strike Against RR

Officials of the Alton and Southern Railroad expressed confidence that the strike against the railroad which went on strike last Thursday in a dispute with the line over the inclusion of a suspension clause in a new contract, said no new developments had come to light today.

The A&S office said it knew of no negotiation sessions planned with representatives of the striking Brotherhood of Railway Trainmen, Local 395. About 150 members of the local are included in the strike, which has halted all Alton and Southern operations.

### ON WAY TO ITALY

Dale A. Maxville, son of Mr. and Mrs. Maxville, 2822 Marshall avenue, left Sunday going to Italy on the U.S.S. Avella, after spending a two-week leave here.

Maxville has just completed three months of Navy school in Chicago. He took boot training in San Diego, Calif.

Richard Ostresh, son of Mr. and Mrs. George Ostresh Jr., 2033 Thirteenth street, left Sunday for Champagne, Ill., where he is attending school. He had been home for the holidays.

### VISITORS FROM ALASKA

Technical Sgt. and Mrs. Emmett A. Holland and sons, Kenneth and Donald, of Dayton, O., were weekend guests of Mr. and Mrs. Lawrence Davis and family, 2041 Rhodes street, and Mr. and Mrs. Wayne Guntzel and daughter, Debra, 2042 Harris street. The Hollands returned home from Alaska Dec. 3 after being there for four and a half years. Mrs. Davis and Mrs. Holland are sisters.

Mrs. Neila Bartok and children, Arvid and Elaine, of Charleston, Ind., are visiting here with Mr. and Mrs. Tom Hastings and sons, 2655 East 24th street.

Mr. and Mrs. Cecil Townsend of Edwardsville road have been visiting in Grandin, Mo.

### QUILTING CLUB MEETS

The Tri-City Park Quilting club met Wednesday at the home of Mrs. Mildred Shiffrer, 1700 Sixth street.

Breakfast was served to Mrs. Elizabeth Suchich, Mrs. Catherine Matuski, Mrs. Demire Kuriz, Mrs. Mary Edwards, Mrs. Stella Krusec and Mrs. Betty Waters. Games were enjoyed and several prizes were awarded.

Names of new sunshine friends were exchanged for the year. Mrs. Stella Krusec will be the next hostess at the home of Mrs. Elizabeth Suchich, 1108 Greenwood street, where quilting will be resumed.

Mr. and Mrs. Earl Henry and sons, Ronnie and Richie, of Galesburg, Ill., returned home Sunday after visiting Rev. and Mrs. R. D. Shaw and family. Ronnie Henry had been visiting here since Christmas.

Mr. and Mrs. Ray Stratton of Edwardsville road are the parents of a son born Tuesday morning at St. Elizabeth Hospital. He has been named Gregory Lee, and weighed six pounds, 14 ounces.

Mr. and Mrs. John Pyles of Rhodes street visited Sunday at St. Elizabeth Hospital, with Mr. and Mrs. Henry Pyles and family.

Mr. and Mrs. Bob Tucker and Benton street, spent the weekend in Maryville, Ill., at the home of Mr. and Mrs. Henry Pyles and family.

## GCHS Honor Society Will Initiate 27 Members

Twenty-seven new members of the National Honor Society at Granite City high school will be initiated at 8 p.m. Monday night in the school auditorium.

The present candidates are: Top seniors: Misses Patricia Blevins, Phillis Curtis, Rosemary Haynes, Carol Miller, Naomi Ruth Nickell, Charlotte Wickham and Carol Williams.

Bridge Toll Violation  
Venice police yesterday arrested two occupants of an auto that allegedly went by the McKinley Bridge toll station without paying. Disorderly conduct charges were filed against the driver, Jack Riley of St. Louis, and Carroll Dickerson, St. Louis. They were released on bond until hearings tonight.

# Decade of Parking Meters Enriches City By \$442,779

Granite City's parking meters now a decade old, enriched the city by \$442,779 during 1959—an average of \$44,277.91 a day.

However, last year's income was by no means a record, topped by every year with the exception of the first year, 1950. In the past year, a number of meters were taken out of service because of downtown construction, and in the past two years, off-street parking has increased.

In the first decade of operation, parking meter income for the city, including pennies and nickels dropped into the meters and \$1 fines paid by violators, has amounted to nearly a half-

million dollars—actually \$442,779. Parking meters were installed late in the month of January 1950, netting the \$349 that month, but jumping to \$273 the next month. The top monthly income was reached in April 1956 with \$5507.

The peak year for the meters was 1956, when the total revenue amounted to \$49,256, an average of \$137.91 a day; but where fines paid by violators formerly averaged \$400 or more a month, in the past two years the average dropped well below \$300, amounting to slightly over \$200 a month in 1959.

Income for 1959 was only \$38,126 at the end of November, but December was the top month of the year with revenue amounting to \$4082, despite a layoff in parking meters for over three weeks under the Associated Retailers program of providing nickels to the city's parking meters for holiday shoppers. Last month's income compared to \$4215 for December 1958, and \$4352 in December 1957 and a lesser figure of \$3750 in 1956.

A breakdown of the meter income by years for the past decade follows:

1950—\$36,823; 1951—\$42,984; 1952—\$43,595; 1953—\$44,578; 1954—\$45,581; 1955—\$47,694; 1956—\$49,256; 1957—\$46,061; 1958—\$44,897; and 1959—\$42,500.

Since the installation of meters, the city has used the income to pay the salaries of the meter patrolmen, additional police officers hired for traffic control, the installation of electric traf-

fic signals and to bolster general fund accounts running in the red.

The last monthly financial report available, showing fund balances last Nov. 30, listed a reserve of \$51,709 in the parking meter account. Part of that has been earmarked to widen the St. Clair avenue bridge and pay for an off-street parking

lot. A breakdown of the meter income by years for the past decade follows:

## Buying of Items Delayed Pending Claim Settlement

Supt. John O. Pier told the Venice school board Monday night that the school district is holding off the purchase of items to replace those stolen from Lincoln school early in November pending the settlement of an insurance claim for the items.

The claim had been filed with the Maryland Casualty Co. shortly after a high-fidelity set, typewriters, a 16-mm movie projector, screen and speaker, and a tape recorder were removed from the school building by thieves during a night break-

Pier said he was told by a representative of the insurance firm that "it might be as long as six months before the claim is settled," but School Board Attorney Austin Lewis raised the possibility of a time provision in the district's policy.

Want Settlement  
"There is no apparent reason why an adjustment of the claim should be so long in coming," Lewis said, and added that he would examine the policy and attempt to expedite a claim settlement.

The same insurance firm has already settled a claim by the former Hyde Park club gambling Venice schools exchanging purchase establishment in Venice, Thomas of a cash register to replace one stolen during an earlier break-in at the Lincoln school Oct. 31, and \$4180 penalty for \$231 in a stolen cash register.

Board members had authorized Pier to seek bids on equipment to replace the articles stolen during the final December meeting, but purchase was delayed in the hope of recovering the stolen items by obtaining an insurance settlement.

President Lester Salem said, "No information as to the disposition of the stolen items has come to light, although three of them were arrested shortly after the break-in and are being held at the county jail in Edwards."

### Police Traffic Safety Inventory Conference

Police Chiefs Raymond Willard, Robert Traver and Harry Fraundorf have been invited to a traffic inventory conference at 8 a.m. Monday, Jan. 25, at Scott Air Force Base, Belleville. Sponsors are the National Safety Council and the Illinois Department of Public Safety.

Granite City's Madison department is being invited to participate in annual traffic evaluations and accident reduction programs.

Robert A. Campbell, state traffic coordinator, reports that the Jan. 25 meeting has been called to explain benefits of the inventory plan in helping cities analyze their traffic problems.

Sixty-five Illinois cities currently are participating. The 5 cities invited to the meeting at Scott include seven participants and eight non-participants. Each chief has been asked to bring principal traffic officer to the gathering.

## Press-Record Readers Generous To Newsboys

Press-Record readers were exceptionally generous to newsboys during the recent Christmas season, giving them gifts of gloves, caps, scarfs and candy as well as the customary tips as the boys presented their customers with Christmas greeting cards.

Seven carriers received tips totaling more than \$50 each, with the top carrier being Harold Canton of 2704 Buxton avenue, who was given \$73 in cash gifts.

Others were Jess Wise, 2707 Buxton avenue, \$63; Mike Henke, 2513 Grand avenue, \$58; Tom Holgrave, 2429 Washington avenue, \$55; Gerald Chapman, 2337 Center street, \$53; Virgil Sailer of Lillian Hills \$51, and Charles Sturman, 2431 Edison avenue, \$50.

The reports by the newsboys were compiled by Elmer Miller of Granite City News Co., who distributes the Press-Record.

## GC Township Pays Election Bill To City

Reimbursement of \$1000 to the city as its share of cost of the 1959 city-township election was the largest item on two bills submitted by Granite City township for approval by the city council Monday night.

Disbursements for the town and general assistance funds amounted to \$2150, including \$550 for general assistance and \$1600 for town purposes.

Among the town fund disbursements were the \$1000 election cost and a total of \$800 for half-month salaries for the supervisor, assessor and chief deputy assessor.

General assistance fund expenditures included \$407 half-month salary total for three office workers, \$31 paid to the Edwardsville township supervisor for relief and \$75 paid to John Holzweg for relief office rent.

### Silence is the Voice of Quality

Get behind the wheel of a new Cadillac car some day soon—point its handsome hood down your favorite stretch of highway—and listen!

Except for the occasional lullaby of the passing breeze, there will be literally nothing but silence to greet your ears.

But, oh, how meaningful that silence is!

For it speaks, with irrefutable logic, of the ingenuity of Cadillac design—and of the soundness of Cadillac engineering—and of the excellence and solid integrity of Cadillac craftsmanship.

And just as silence is the voice of quality in a motor car—so quality is the product of experience.

For almost six decades, Cadillac has devoted itself exclusively to the creation of the finest motor cars that the current automotive science would permit.

So rigid, in fact, has been Cadillac's adherence to the principles of quality that the two have become virtually inseparable in the public mind.

Never before, however, has this quest for perfection been as fruitful as for 1960.

In its styling and design, in its construction and assembly, and in its attention to detail—it is, far and away, the finest Cadillac yet.

We suggest that you see this new Cadillac—and drive it—and listen to it—very soon.

## Mental Health Counseling Clinic Is Welcome Addition To Quad-Cities

The mental health clinic to be opened tomorrow in the Quad-Cities is a welcome addition to the community, and a sign of the changing public attitude toward mental illness.

Rather than being hidden away, the subject of mental health needs attention by the public. Emotional problems are not rare, common, and many of them can be solved or eased by professional counseling. A "stitch in time" may be a cliché, but it applies accurately in this instance. It is far better for persons with small problems to seek help, instead of waiting until the problems are so large that hospitalization in already-crowded state institutions is necessary.

Such clinics as that established here will not end the nationwide prevalence of mental illness, but they can be of great help to individuals who feel the need for counseling. Greater knowledge of the physical and chemical aspects of some forms of mental illness also is raising the hope of more effective treatment.

The Madison County Mental Health Society and local organizations and unions instrumental in setting up the clinic merit the thanks of the community. The clinic is another local United Fund agency.

## Senseless Vandalism Should Be Stopped Before Tragedy Occurs

A wave of vandalism in the past week has resulted in over two dozen windows being broken in homes and stores by rocks, pellet guns and slingshots. Just why any citizens should take this vicious means of greeting the new year is hard to understand; much inconvenience, cost and danger have been suffered by the property owners.

If such vandalism continues, some rate residents conceivably might open fire on the culprits. This could result in a tragedy as unnecessary as the window breaking itself. The vandalism should be stopped immediately, before someone gets killed.

## Six More Illinois Communities Begin Fluoridation Programs During 1959

Progressive in many ways but timid and fearful in the field of dental health legislation, Granite City is slipping even farther behind the times. An additional six Illinois communities will begin fluoridation programs during 1959, increasing the total to 116 communities.

The 116 include Chicago and other large cities, as well as many smaller towns. Recognizing the proven value of fluoridation in reducing the prevalence of tooth decay, these communities have joined the nationwide fight against needless pain, expense and poor dental health.

Venice and Madison aldermen have had the

courage and statesmanship to adopt fluoridation ordinances, despite protests from food faddists who oppose the addition of chemicals to water and food. For several years now, too many Granite City aldermen have listened to the protests and ignored the facts that fluoridation is safe, effective and badly needed here.

In failing to take affirmative action, the council is helping to block fluoridation not only in Granite City but also in the rest of the Quad-Cities and more than 15 other communities served by the East St. Louis and Interurban Water Co. Belleville and Swansea are the only others extensively explored there.

Unprejudiced study of information about fluoridation makes it clear that fluoridation should be adopted in Granite City. The success of the program throughout the country, including the city of St. Louis, leaves no reasonable argument against it. Yet, there is no action.

The original discussions several years ago showed that some members of the council favored fluoridation. The inaction since then illustrates an unfortunate aspect of representative government: logic, the public welfare and the wishes of the public do not always prevail. Can other considerations be more important than these?

## 38,000 Auto Deaths, 1,400,000 Disabled But Public Not Shocked Into Finding Solution

The early portion of a new year generally serves as a time to evaluate the past and take stock of future prospects. The record of the previous year provides the information needed to assess what has been happening, enabling intelligent plans to be made.

Traffic mishaps remain an enigma, however. The record for 1958 shows 38,000 fatalities—a clear, concise figure. The number of people disabled by auto mishaps was 1,400,000. Yet these statistics and the figures for previous years have failed to result in effective planning to drastically reduce the number of casualties.

The totals are appalling, and not just because they show an increase of 31,000 killed and 50,000 injured over the 1958 tabulations. Any condition that kills 38,000 Americans and maims 1,400,000 others within a year's time ought to shock people into finding a solution, but the frequency of the mishaps apparently has dulled their impact on the public, and the tragedy does not strike home until it reaches into one's own family or circle of friends.

The fact that the 1959 death rate of 5.4 for each 100,000,000 miles of auto travel was the lowest in history seems little consolation. The downward trend in the last five months of the year may be a hopeful sign.

But the flurry of fatalities at the start of 1960 indicates that the figures still have not prompted widespread attention to more cautious and safe driving. The message that motoring habits have such a close relationship to survival still is not getting across.

## County Treasurer Office Corrects Delinquent List

The county treasurer's office reported this week that two tracts appearing in the delinquent tax listing, published Dec. 24 for the local area, should have been omitted.

The listings were for Elmer L. and Arlyne L. Milton, south 25 feet lot 114, and north 40 feet of lot 114, sixth addition to Namekott Terrace, \$33.45; and Albert M. Earl, lot 43, Narrows 41 Gardens, personal property \$38.42.

## Alien Registration Underway In Area

Alvin L. Pilott, district director of the Immigration and Naturalization Service, advised today that the annual alien registration program is again underway.

He pointed out that the alien reports are required by law and willful failure to comply with these requirements may lead to serious consequences.

Forms with which to make reports are available at all district offices and immigration offices. It is an easy matter to fill out one of the cards and return it to the same office he held was low bidder for the project.

The line is to be installed along the north side of 27th street, and existing catch basins are to be disconnected from the city sewer system and connected to the new line. It will empty into the State street line installed years ago by the East Side Levee & Sanitary District and storm water will flow to the Namekott ditch and into Horse shoe Lake.

## GC Solons Seek New Truck Route During 20th Job

A question of what to do with truck traffic on 20th street is closed for a widening project this year was posed during Monday night meeting of the Granite City council.

Alderman Samuel Whitmer, chairman of the Street and Alley Committee, suggested the city attorney might make arrangements with Madison city officials for a street in Madison, between Madison avenue (State Route 3) and McCambridge avenue (U.S. 57a) to be opened to trucks during the improvement project.

Whitmer pointed out the only other available cross street in Granite City would be 21st street, and that 21st street between Madison avenue and Lee avenue has been designated a hospital zone and closed to truck traffic.

The committee chairman said noise from trucks making the turn off Madison avenue onto 21st street would disturb hospital patients and that he doubted if large tractor-trailer units could make the turn. "They have trouble making the turn at 20th street,"

Whitmer asked the matter be given immediate attention since the state highway department has announced its intention to begin the 20th street project this year.

Twentieth street is to be widened to four lanes with a four-foot median from Madison avenue to Edwardsville road. In accordance with a state requirement, parking along the improved section will be banned. Also included in the plans are improvements to the 20th street and Edwardsville road intersection where motor traffic signals are to be installed.

Under the Street and Alley Committee, Alderman Donald Partney asked the committee to give further study on the need for a turn radius at 27th street and Madison avenue. He said buses traveling south on Madison avenue and making left turns onto 27th street are often crowded by 27th street traffic. "The rear wheels of the buses are rolling over the sidewalk and curb and breaking them," Partney said. "We ought to take care of this before a pedestrian falls on the broken sidewalk and we have another lawsuit."

## State Oks Contract For 27th St. Drainage

State highway department approval of a contract awarded to A. H. Seebold Co. for installation of storm water drainage line along 27th street was received Monday night by Granite City council members.

The \$289,000 contract is for construction of a drainage line from a turn radius at 27th street and Madison avenue to an existing drainage line along State street. The work is to be carried out with motor-fuel tax funds. Seebold was low bidder for the project.

The line is to be installed along the north side of 27th street, and existing catch basins are to be disconnected from the city sewer system and connected to the new line. It will empty into the State street line installed years ago by the East Side Levee & Sanitary District and storm water will flow to the Namekott ditch and into Horse shoe Lake.

## 12 New Street Lights To Be Installed In GC

Installation of 12 additional street lights, most of them in new areas of the Glenview and Shamrock Gardens subdivisions, was proposed to the Granite City council Monday night by Alderman Samuel Whitmer, chairman of the Street Light Committee, and a resolution is to be prepared calling for Illinois Power Co. to place the lights.

Dawes complained of a delay in getting other street lights approved at earlier dates by the council, but said he had visited the power company office and was assured the installations would be made.

Locations of the proposed lights are—Willow and Ash avenues, Willow and Edwardsville avenues, 3021 Sunbury avenue, Sunbury and National avenues, St. Clair and National avenues, Cardinal and National avenues, Terminal and National avenues, St. Clair avenue and Maryville road, Saratoga and Terminal avenues, Maryville road and Terminal avenue, Maryville road and Saratoga avenue and the middle of the 2600 block of Lincoln avenue.

## Driver In Accident Faces Traffic Charge

A charge of making an improper start from a parked position was placed against Otis A. Edwards, 25, of 2110 East 20th street, driver for Clean Craft Cleaners, following an accident Monday afternoon in the 2100 block of Grand avenue. Edwards, who was issued an arrest ticket by Granite City police, posted his driver's license as bond.

Police said he was operating a truck and was pulling away from the curb to travel north on Grand avenue and was involved in an accident with an auto driven north by Dorothy Rantzi, 2118 Grand avenue. There was damage to the left front of the auto and the right front of the delivery truck.

## 177 Mishaps, 44 Hurt In City

# One 1959 Traffic Fatality In Venice, Another On Bridge

Two fatalities occurred in Venice and on the McKinley Bridge during 1959, a reduction of one from the previous year, an annual report by Police Chief Robert Trower disclosed today.

In addition to the traffic deaths, there were 177 accidents and 44 injuries within Venice city limits, plus reports on 76 mishaps and 36 injuries outside the city.

The traffic victims were Alexander E. Schaeffer, 37, of 2248 Miracle avenue, fatally injured Aug. 5 when he was thrown off his motorcycle as it skidded on the rain-swept bridge near the Missouri side; and Marie Diane Cooper, five-year-old kindergarten pupil residing at 533 Slough road, killed instantly Sept. 9 when she ran out of a conveyance carrying a bag of cookies and was struck by the wheel

of a passing tractor-trailer truck in the 100 block of Weaver street.

The 1958 Venice traffic report had listed three fatalities, one pedestrian killed by an auto, a pedestrian struck by a train and a motorist killed by a train.

**Monthly Totals**  
The city totals of 177 collisions and 44 persons hurt are based on figures of 16 accidents and nine injuries in January, 19 and none in February, 19 and six in March, 14 and one in April, 18 and five in May, 15 and one in June, eight and five in July, nine and six in August, 14 and one in September, 15 and two in October, 19 and seven in November and 16 and one in December.

The similar breakdown of the 176 mishaps and 36 injuries occurring outside the city limits—

on the McKinley Bridge and in the vicinity of the south gate of the Engineer Depot—lists nine and two in January, two and one in February, four and one in March, five and none in April, eight and seven in May, four and seven in June, four and seven in July, seven and one in August, six and three in September, seven and three in October, nine and one in November and 11 and eight in December.

Combined figures on all traffic reports handled by the Venice department in 1959 reveal that November had the most accidents, with 28, and that May and July tied for the most injuries, with 12 each.

**Higher Than Last Year**  
The city totals of 177 and 44 show increases over the 1958 totals of 166 crashes and 35 injuries.

The past year's out-of-town figures of 76 and 36 also are higher than the 1958 totals—30 and 16. Part of this increase results from all bridge accidents reported to the Venice department; before the city purchased the bridge on Nov. 21, 1958, some were reported in Venice and some in St. Louis.

Going back a year farther, the 1957 report shows 205 mishaps and 44 injuries inside the Venice city limits and 38 crashes and nine injuries outside the city limits.

A comparison with accidents reported eight years ago, in 1951, shows 190 accidents, 18 injuries and fatalities—one killed on the bridge and one person struck by an auto in the city.

## City Bills, Half-Month Salaries Total \$49,104

Bills and half-month payroll totaling \$49,104, were approved Monday night by Granite City council members. Of the total, \$22,039 was for city employee salaries for the first half of January and \$17,065 was for current bills, including payments of \$12,040 for the new fire station.

The fire house bills were \$8,818 to Tom Studebaker Construction Co., \$2,044 to Markley Plumbing & Heating Co. and \$178 to architect Gabriel & Dulgeroff.

Among other bills approved were \$1171 to East St. Louis & Victor Koenig, co-director of civil defense, \$50.

rental for 316 fire hydrants; \$1062 to Illinois Power Co. for street lighting and electric and gas service; \$344 to Federal Oil Corp. for 1324 gallons of gasoline; \$240 to M. H. Rhodes, Inc. for parts for parking meters.

Expense allowances approved were—Alderman Emerald Dawes, \$30; Alderman Robert Caughan, \$30; Alderman Frank Nemeth, \$30; Alderman Walter Nomm, \$30; Alderman Paul Rutledge, \$30; George W. Schumacher, civil defense director, \$50, and Victor Koenig, co-director of civil defense, \$50.

## Suspended Jail Terms On Trespassing Charges

Ninety-day jail terms were assessed and then suspended for two men charged with disorderly conduct and trespassing in the Nickel Plate Railroad yards Dec. 31. Justice of the Peace Louis Kiemer stayed all but \$7 of a fine and court costs of \$105 levied against each man, and ordered both to leave this area.

Albert Hubbard, 39, Brooklyn, N.Y., and William Reid, 45, Cleveland, O., were captured in the yards by a railroad detective, aided by a Madison police man. The detective said both men had been drinking and were attempting to board a train to reach Cleveland. As Reid tried to enter a freight car, he fell underneath the car and cut his hip, the detective said.

The two were booked at the Madison police station and taken to the county jail where they remained until being brought to Madison for Monday's hearing.

Mary Ann Sulic, 4, daughter of Mr. and Mrs. John Sulic, 3156 Carlson avenue, was x-rayed at St. Elizabeth Hospital Monday evening after complaining of a back injury suffered in a fall of a stool in the basement at her home. The x-rays showed no injury and the girl was released.

## Industrial Groups To Form Waste Council

Representatives of St. Louis area industries and civic agencies will meet at 2 p.m. Thursday at the offices of the Chamber of Commerce of Metropolitan St. Louis to discuss the formation of a St. Louis Metropolitan Industrial Waste Council.

The purpose of the council would be to aid bi-state area industries in solving water pollution problems affecting the metropolitan region.

The meeting is under the joint sponsorship of the St. Louis Metropolitan Chamber, East Side Associated Industries, East Side Manufacturers Association of Granite City, the Alton District Manufacturers Association and the Associated Industries of Missouri.

If created, the council would provide an exchange of technical information on water pollution treatment and technical advice to smaller industries; provide a study of the legal problems involved in water pollution control; offer means through which industrial achievements in water pollution control could be reported to the public for the mutual benefit of the area; and offer assistance as an industrial advisor to water pollution regulatory agencies in the area.

Poverty may be a virtue, but never furnished a home.

## Hungarian Revolt Film At GC Kiwanis Meeting

"The Revolt in Hungary" was the subject of a 20-minute film viewed by 25 members of the Granite City Kiwanis club during a meeting Monday night at the Elks club.

The film, composed of movies taken at Budapest and in other Hungarian cities during the brief uprising against the Communist government there, showed how Hungarian patriots met with initial success in the rebellion until Russian armor and troops were called in.

The film was obtained by program chairman and president-elect Francis E. Judd, who, together with other officers will be installed on Feb. 1.

President Sam Wolf told the membership that the rebellion inspired meeting is scheduled to be held in Collinsville on Jan. 18.

## Speeding Ticket

An arrest ticket was issued Tuesday morning at 2700 Washington avenue to Velma M. Hais, 32, of 2314 East 25th street, by Granite City police who charged her with speeding. She posted her driver's license as bond.

HERE'S WHY  
THIS IS THE MOST  
SOUGHT-AFTER  
CHRYSLER EVER!

## Beauty!

One look at Chrysler's sporty grille and flowing lines and you know why it's such a success.

## Brawn!

New Unibody construction unites body and frame in a single, solid piece. Result: the strongest, quietest car you've ever known.

## Comfort!

Lower floors, higher foam rubber seats, rich and rugged fabrics — Chrysler boasts real stretch-out room for all.

Other Chrysler comfort features: wide doors for easy ins and outs, High-Tower driver's seat, deep-pile carpeting door-to-door.

## Convenience!

New Astradome dash clusters controls at your fingertips. Controls themselves are trigger-quick pushbuttons.

At night, exclusive Panelescent lighting bathes instruments in a glare-free glow that makes them instantly easy to read.

## Two Women Blame City For Injuries

A St. Louis woman who was injured by flying debris while standing on the sidewalk at 19th and State streets last Oct. 2 was one of two women notifying the Granite City council Monday night of their intention to file suits against the city.

Elsie S. Etheridge, of 1100 Duane avenue, St. Louis, advised the city she was hospitalized and required the attention of a physician for injuries sustained when she was showered by loose rock and broken pieces of concrete, thrown from beneath the wheels of passing autos while she was standing on the northwest corner at the intersection. She said the city had permitted the debris to accumulate on the street.

In the other notice, Dorothy Ester Wheeler, 1700 Delmar avenue, said she was injured on Nov. 14 when she was walking between the curb and sidewalk in front of 2158 Cleveland blvd. and stepped in a large hole, causing her to fall.

Both notices were referred to City Atty. William Beatty.

**GC School Committees Studying 10 Phases of Curriculum**

Ten phases of the curriculum in the Granite City community unit school district are being reviewed by special committees, a report by Supt. Harold M. Kaiser to the school board discloses.

"Principal curriculum committees for the 1959-60 school year are studying areas considered important to the administrative staff. These areas will be reviewed thoroughly, and any improvements needed will be reported to the board by the end of the year."

"Other areas of instruction, such as music, art and physical education, will be reviewed on a subject basis rather than on broad areas of study. The superintendent will coordinate the curriculum study program from the kindergarten through twelfth grade."

**Committee Members**

Members of the various committees include Dr. Kaiser; Russell D. Johnson, assistant superintendent in charge of instruction; Earl Lee, administrative assistant to the superintendent; M. A. Whitworth, director of vocational and adult education; Harold Thomas, director of special education; Lawrence McCauley, high school principal; Steve Jones, assistant high school principal; Ralph Frohhardt, principal of the elementary school; Walter Klein, Coudine and Central junior high school principals; and the elementary school principals, Leland Bartley of the East 23rd street school, Dale Rea of Emerson, Harry Marshall of Frohardt, Mrs. Eve Meier of Logan, Paul Wisch of McKinley, Miss Mary Hopkins of Marshall, Owen Humphrey of the Maryville road school, Russell E. Robbins of Namecki, Gerald Bushue of Niedringhaus, Edwin Metkebach of Stallings, Fred Noeth of Washington, Clyde Lee of Webster and Theodore Vrenik of the Wilson avenue school.

Committees studying the elementary area, from kindergarten through the sixth grade, are covering five fields—reading, general reading, science and mathematics, instructional materials and guidance and tests.

The elementary committees are as follows: Remedial reading—Rea, Marshall, Marshall, and Robbins; Miss Hopkins, Mrs. Meier, Vrenik and Wisch. Science and mathematics—Noeth, chairman, and Clyde Lee and Metkebach. Instructional materials—Rea, chairman, and Briggs, Humphrey and Earl Lee. Guidance and tests—Marshall, chairman, and Bushue, Bartley and Briggs.

Five curriculum committees are active in the secondary area, grades seven through twelve. They are studying guidance and tests, vocational and adult education, junior high school program, secondary school subject area and special education. The junior high and high committee memberships follow: Guidance and tests—McCauley, chairman, and Klein, Frohardt and the school counselors. Vocational and adult education—Frohardt, chairman, and Jones, Frohardt and staff members as needed. Junior high school program—Johnson, chairman, and Frohardt, Klein and staff members as needed. Secondary school subject area—McCauley, chairman, and Jones and staff members as needed. Special education—Thomas, chairman, and Earl Lee, Bushue and staff members as needed.

Election of new officers and a possible board changeover is the order of business at the Tri-City Community Concert Association's first meeting of the 1960-61 series at 2:30 p.m. Sunday in the educational building of the Niedringhaus Methodist Church.

A nominating committee will meet before the election and nominations will also be open from the floor. Current officers are Mrs. John Moore, president; Raymond Henley, vice-president; Mrs. Helen Simpkins, secretary; and Kenneth MacClatchey, treasurer.

Any vacancies in the board will also be filled. The board has 20 members.

A representative from the National Community Concert Association in New York will arrive in a few weeks to discuss with the board, at its next meeting, possible attractions for next year's concert. Usually at this second meeting, to be held in late January, the local association "takes a hold" on a flight entertainer who will headline the next series of concerts. This is necessary because an early contract must be signed in order to insure getting the top artist.

This headlining artist is therefore signed before the actual ticket campaign gets underway in March so that the drive can be helped by the publicity.

This year's second-to-last concert will be held Feb. 8. Archer and Gile, international ballad singers, will perform.

**Finced On Two Charges**

Larry P. Dye, 23, of 2208 Nevada avenue, arrested by Madison police Dec. 26 for fighting and peace disturbance, was fined \$15 and costs at a hearing Monday evening before Justice of the Peace Louis Kimer. A similar hearing for Herman Root, 21, of 2029 Cleveland blvd., was continued.

**Former School Teacher Here Suffers Fall**

Miss Golda Walker, former school teacher in Granite City, suffered a fall Monday afternoon in West den, Ill., where she is living with her sister and brother-in-law, Mr. and Mrs. James Keine.

According to a letter by Miss Walker to a friend in Granite City, Mrs. Arthur Crabtree, the former school teacher was taken by ambulance to St. Francis Hospital, Littlefield, and will be bedfast for ten weeks for multiple fractures. She is in room 214 at the hospital.

**Bridge Remodeling Bids Tonight**

Bids will be opened at 8 o'clock tonight in the council room of the Venice city hall on extensive remodeling of the city-owned McKinley Bridge.

The bids will be divided into two categories, one relating to improvement of the main section of the bridge and the other dealing with the approaches and new toll facilities on Main street. A six-lane toll area is planned, with the bridge widened to four lanes at the St. Louis approach.

## Vacant Houses To Remain Boarded

First Ward Alderman Frank Nemeth, expressing his concern over boarded-up vacant houses in the "behind-the-mill" area, indicated Monday night he plans to keep a careful watch over the properties for any deterioration.

Nemeth had asked City Atty. William Beatty to confer with officials of Granite City Steel Co. to determine what future plans were for the vacant properties, pointing out individuals were breaking into the houses and in some cases, cigarettes and candles were found among scattered papers.

The alderman stressed the neighborhood's alarm over the fire hazard and called upon Atty. Beatty to report on his findings. "The city attorney said he had talked with a company official and was told any homes where entrance had been gained, the boards would be replaced. Beatty said that in his opinion, if the vacant houses are securely boarded and are not dilapidated, the city cannot institute condemnation proceedings."

Nemeth pointed out he knew of some instances where porch railings and support beams had been ripped loose by vandals and there was a possibility of the porches collapsing, causing injury or damage.

**TR. A CLASSIFIED AD**

**Police Car Bids**

New police cars and the parking problem at the rear of the city hall building were brought up by Alderman Casner Skubish, chairman of the Monday night's meeting of the Granite City Council.

Solons approved his recommendation to issue a call for bids for new patrol cars, and authorized the mayor to obtain an option on the property at 2030 Edison avenue to negotiate its purchase during the 1960-61 fiscal year.

Skubish said maintenance of the present four 1959 patrol cars is mounting, and that new cars should be purchased as soon as possible. Last week, one of the cars broke down early New Year's day. He said the city has \$5500 in its budget for buying new police cars.

The 1½-story brick house at 2030 Edison avenue is up for sale, and Mayor Davis said if the city does not buy it, someone else probably will for commercial or private venture and it might be years before the city would have another chance.

He predicted that prices of property in the 2000 block of Edison avenue would continue to soar and in the near future, the entire block might be devoted to off-street parking, including the site of the Knights of Columbus building.

City council members expressed interest in acquiring the property several weeks ago, and a report was made that it had been appraised at \$14,500, while the sale price had been set at \$15,750.

Alameda Samuel Whitner questioned the amount of property and how many cars could be accommodated. Mayor Davis replied the property would be measured and other details worked out after the option was secured.

A suggestion was made by Alderman Donald Partney that if the property was purchased, the city could resell the house and the new owner could move it to a new location.

Once the option is obtained, the city will begin purchase negotiations with arrangements for payment to be made in the 1960-61 fiscal year which begins next May 1.

**Work Changes On Fire Station Proposed**

Work changes for the new \$250,000 fire house were not approved Monday night by Granite City Council members, who instructed Fire Chief Elijah King to obtain an explanation from the architects, Gabriel & Dulgeroff.

The overall changes would result in an 87 reduction in construction cost. The amount of changes adding to the cost total \$663, while reductions amount to \$750, including the substitution of cold rolled steel instead of hot rolled steel of zinc-coated steel, and a modified form of concrete preparation, \$500.

Added costs proposed are additional labor and material costs for substitute overhead doors, \$170; relocating gas meters on the Iowa street side instead of Madison avenue, \$84; change telephone conduits to two-inch diameter instead of one-inch, \$164; substitute light at entrance to the chief's office, \$45 and reinstating plaster drop arch and canopy, \$300.

The fire chief is to relay an explanation of the changes to the Fire and Water Committee and to the council.

**GC Rotary Club Views Slides Of Thailand**

Photographic slides of Thailand were shown to the Granite City Rotary club Tuesday by Dr. Duis Bolinger of Carson City, Nev., who is here visiting his brother-in-law, William Huxel, a member of the club.

The speaker was introduced by Dr. Bolinger, who spent two and a half years in Thailand in 1955-57 as one of six U.S. technical advisors to the University of Kasart in Bangkok. He gave a commentary as the slides were being shown.

The speaker was introduced by E. D. Kincaid, program chairman. Dr. E. L. Ackerman presided and reviewed the club's budget, announcing that a budget discussion and vote will be held at next week's meeting.

The club followed a past custom by allocating \$200 to finance attendance by two Granite City high school students at a speech institute next summer at Northwestern University.

Photographic slides of Thailand were shown to the Granite City Rotary club Tuesday by Dr. Duis Bolinger of Carson City, Nev., who is here visiting his brother-in-law, William Huxel, a member of the club.

The speaker was introduced by Dr. Bolinger, who spent two and a half years in Thailand in 1955-57 as one of six U.S. technical advisors to the University of Kasart in Bangkok. He gave a commentary as the slides were being shown.

The speaker was introduced by E. D. Kincaid, program chairman. Dr. E. L. Ackerman presided and reviewed the club's budget, announcing that a budget discussion and vote will be held at next week's meeting.

The club followed a past custom by allocating \$200 to finance attendance by two Granite City high school students at a speech institute next summer at Northwestern University.

**Work Changes On Fire Station Proposed**

Work changes for the new \$250,000 fire house were not approved Monday night by Granite City Council members, who instructed Fire Chief Elijah King to obtain an explanation from the architects, Gabriel & Dulgeroff.

The overall changes would result in an 87 reduction in construction cost. The amount of changes adding to the cost total \$663, while reductions amount to \$750, including the substitution of cold rolled steel instead of hot rolled steel of zinc-coated steel, and a modified form of concrete preparation, \$500.

Added costs proposed are additional labor and material costs for substitute overhead doors, \$170; relocating gas meters on the Iowa street side instead of Madison avenue, \$84; change telephone conduits to two-inch diameter instead of one-inch, \$164; substitute light at entrance to the chief's office, \$45 and reinstating plaster drop arch and canopy, \$300.

The fire chief is to relay an explanation of the changes to the Fire and Water Committee and to the council.

**PACKS NO POWER**

The man who blows his own horn seldom succeeds—after all, it isn't the whistle that pulls the train.

## Sale of Property For Delinquent Taxes Monday

The annual Madison county tax sale for delinquent property taxes will begin at 9 a.m. Monday, Jan. 11, at the office of County Treasurer Dan McGee in the courthouse at Edwardsville.

Judgment for delinquent 1958 or "current" taxes and for older taxes was entered Monday by County Judge Michael Kinney on application by McGee. The judge designated 4:30 p.m. Friday as the deadline for filing last year's delinquent taxes.

The action follows publication of the official list of delinquent property taxes in the Dec. 24 issue of the Press-Record.

Taxes and charges must be paid by this week in order to avoid sale of the property. Involved are two groups of property, that delinquent less than 10 years and that delinquent 10 or more years.

McGee said that re-publication at a newspaper's expense of the official list of delinquent property taxes in the Dec. 24 issue of the Press-Record.

Thomas of Mercer's Funeral  
Home. 1-7

Tip to motorists: Don't drive  
like an inebriated force — you  
may meet an inebriated object.  
It's through his check book  
that a man learns to appreciate  
the drawing power of his wife.
